

A man with grey hair, wearing a black long-sleeved shirt, stands with his hands on his hips, looking upwards. He is positioned in the lower center of the frame. The background is a large, detailed architectural model of a dome structure, possibly a mosque or a historical building, with intricate carvings and a large central dome. The model is suspended in the air, and the man is looking up at it. The title text is overlaid on the image.

*The Challenge of Change* Rebecca Hampl,2022-08-01 At the age of twenty eight Marty Ellis is still a bachelor who graduated with a major in journalism and a minor in photojournalism He enjoys his life with various girlfriends while knocking back drinks in bars going out to dinner and rolling in the sheets Yet inevitably he grows tired of these surface level only feelings shells out his standard goodbye speech and moves on However using only his body and saying sayonara to his love life a revolving door is not how he wants to live for the rest of his life How will he ever know what true love feels like if he does not ascertain how to actually give it In what way will he begin to be able to discover the whole package that runs beneath the surface of a woman Unexpectedly Marty is blindsided when his best friend invites him to leave New Jersey for a weekend trip Lauren Morris is a beautiful thirty two year old woman who after graduating at the age of twenty one with a master's degree in business took a huge leap of faith and purchased an old farmhouse in Vermont After ten years of hard work and sweat equity she has transformed it into a beautiful inn that has become extremely lucrative But winter is fast approaching and she is dreading that feeling of loneliness that is connected to darkened afternoons and long empty nights Will a man ever enter her life One that she could love and perhaps be with until death due them part After meeting Marty Lauren begins to consider if this man might be the one she has been waiting for her whole life But then again she is older than he is long distance relationships hardly ever work out and sudden heartbreaking unforeseen events rock both of their worlds And if they do fall in love which one of them will have to make the ultimate sacrifice and give up what they've worked so hard to achieve in order to be together With so many changes causing so many challenges will they get through them together or will one push the other away
