The Aged in Rural America John Krout,1986-03-18 The aged in Rural America The Aged in Rural America John Krout,1986 The aged in Rural America **Older Rural Americans** E. Grant Youmans,2014-07-15 Most social studies of older people in the United States have focused upon problems and conditions encountered in urban centers In **Older Rural Americans** sixteen social scientists representing various regions examine in depth the circumstances of older people in rural America The authors first consider older people in the contexts of work the family and the community discussing their social outlook their place in these contexts and the profound changes they face as they move away from an active part in these areas of life Later chapters analyze the distribution of the rural aged population and their economic housing and health status Of particular interest are essays treating the place and condition of older rural people in three major subcultures of the United States the American Indian the Spanish speaking people of the Southwest and African Americans Finally the authors trace the development of local state and federal programs designed to assist the aged The authors argue that an understanding of rural life some sixty years ago is of the utmost importance for it is the values of that time that have largely formed the attitudes and outlooks of today s rural aged **Rural Aging in 21st Century America** Nina Glasgow,E. Helen Berry,2012-12-14 This book investigates sociological demographic and geographic aspects of aging in rural and nonmetropolitan areas of the United States Population aging is one of the most important trends of the 20th and 21st centuries and it is occurring worldwide especially in more developed countries such as the United States Population aging is more rapid in rural than urban areas of the U S In 2010 15 percent of the nonmetropolitan compared to 12 percent of the metropolitan population were 65 years of age and older By definition rural communities have smaller sized populations and more limited healthcare transportation and other aging relevant services than do urban areas It is thus especially important to study and understand aging in rural environments **Rural Aging in 21st Century America** contributes evidence based policy relevant information on rural aging in the U S A primary objective of the book is to improve understanding of what makes the experience of rural aging different from aging in urban areas and to increase understanding of the aged change the nature of rural places The book addresses unique features of rural aging across economic racial ethnic migration and other structures and patterns all with a focus on debunking myths about rural aging and to emphasize opportunities and challenges that rural places and older people experience The Elderly in Rural Society Raymond T. Coward,Gary R. Lee,1985 **Rural America's Elderly** John Kane,1990 **Health Programs and Services for Elders in Rural America** Raymond T. Coward,1991 Rural America ,2002 **Rural America's Elderly** Patricia La Caille John,1992 *Aging in Rural America* Carroll Wetzell Wilkinson,1982 Someone To Lend a Helping Hand D. Shenk,2014-04-08 By providing descriptions of the experiences of thirty rural Minnesota women often in their own words this timely and topical book examines the expectations beliefs and values of the women as they grow old in rural America A lifecourse perspective fosters a better understanding of

the aging process in terms of an individual's life experiences within the context of a cultural environment To show how various elements shaped the women's lives in later years and to give the fullest possible descriptions the study combines both qualitative and quantitative research of the rural elderly in Minnesota Through their stories the women stress the cultural familial and personal issues that continue to be important to them as they age They explore the elements of continuity as well as those of change as a part of the lifecourse Also detailed are their insights and experiences concerning interactions with different formal and informal support networks as well as the more general topics

Rural America's Elderly Patricia La Caille John,1993 **Health and Aging in Rural America** National Rural Health Association (U.S.),University of Missouri--Kansas City. Center on Rural Elderly,W.K. Kellogg Foundation,Robert Wood Johnson Foundation,1994* *Aging in Rural America* C. Neil Bull,1993 Focusing on some of the major issues that have arisen in research of the rural elderly contributors to this book review the literature highlight the controversies and examine methodological and substantive issues in research An introductory section looks at the demographic characteristics of the rural elderly Issues related to resource development are then examined looking at the rural elderly in terms of their social needs their economic contributions to communities the development of senior centres as community focal points and the need for transportation alternatives Physical and mental health issues are also discussed and finally attention is given to social support such as home and community care

The Rural Elderly in America Joseph D. Yenerall,1999 Explores recent changes that have impacted the rural community and its elderly residents and attempts to construct an empirically based foundation of knowledge about the rural aged in the various social spheres of family economy health and health care religion and community supports Construction of this knowledge base draws on a review of the literature field interviews with older residents of four states during 1997-98 and reviews of Census data Of interest to sociologists and policy makers Annotation copyrighted by Book News Inc Portland OR Healthy Aging in Rural America United States.
