The Breeding Of Contempt:

John King's The Breeding of Contempt Griff-King Publishing & Communications, John King, 2020-10-19 John King's *The Breeding of Contempt* New account on old crimes tells the story of the first African American family in the Witness Protection Program due to one of the most horrific mass murders in 20th Century American History The book details the rift between to black religious organizations the Hanafis and the Nation of Islam The book also introduces a first a black organized crime group attempting to take over the third largest city in the United States and introduces forgotten figures like Major Coxson a onetime mayoral candidate and best friend to heavyweight champion Muhammad Ali *The Breeding of Contempt* John King, 2003-06-01 *The Breeding Of Contempt* details two horrific events in the Nation's history The 1973 mass murder of seven people in Washington D C and the 1977 siege on Washington that left a reporter dead and nearly took the life of a popular city councilman The book also introduces readers to a literary first a Black family hiding in the Federal Witness Protection Program *The Breeding of Contempt* reintroduces the reading public to some of the Black leaders of the 1960s and 1970s and also introduces others who would become powerful a decade later Finally the book gives its readers a glimpse into a virtually unknown group the Black mafia who operated in Philadelphia in the 1970s terrorizing the citizenry of Philadelphia [John King's the Breeding of Contempt](#) Griff-King Publishing & Communications Inc, John King, 2020-10-19

Engineered Writing Melba Jerry Murray, Hugh Hay-Roe, 1986 **The Ornithology of the Straits of Gibraltar** Leonard Howard L. Irby, 1875 **Medical Stigmata** Kirk A. Johnson, 2018-10-12 This book observes the idea of race as a false representation for the cause of disease Race based medicine an emerging field in pharmacology aims to create a specialty market based on racial groups Within this market the drug BiDil set a precedent in this area of medicine targeting African Americans as its first racial group Consequently selecting African Americans as a starter group led to ethical questions regarding the motive behind race based medicine within the context of the larger treatment of blacks in American medical history This book therefore links medicine and American eugenics examines race based medicine's influence on the perception of the black body traces the influence of BiDil's approval on the resurgence of race based medicine and assesses the black church's response to race based medicine using black liberation theology as a means to social justice

Imbeciles Adam Seth Cohen, 2016 One of America's great miscarriages of justice the Supreme Court's infamous 1927 *Buck v Bell* ruling made government sterilization of undesirable citizens the law of the land New York Times bestselling author Adam Cohen tells the story in *Imbeciles* of one of the darkest moments in the American legal tradition the Supreme Court's decision to champion eugenic sterilization for the greater good of the country In 1927 when the nation was caught up in eugenic fervor the justices allowed Virginia to sterilize Carrie Buck a perfectly normal young woman for being an imbecile It is a story with many villains from the superintendent of the Dickensian Virginia Colony for Epileptics and Feebleminded who chose Carrie for sterilization to the former Missouri agriculture professor and Nazi sympathizer who was the nation's

leading advocate for eugenic sterilization But the most troubling actors of all were the eight Supreme Court justices who were in the majority including William Howard Taft the former president Louis Brandeis the legendary progressive and Oliver Wendell Holmes Jr America s most esteemed justice who wrote the decision urging the nation to embark on a program of mass eugenic sterilization Exposing this tremendous injustice which led to the sterilization of 70 000 Americans Imbeciles overturns cherished myths and reappraises heroic figures in its relentless pursuit of the truth With the precision of a legal brief and the passion of a front page expos Cohen s Imbeciles is an unquestionable triumph of American legal and social history an ardent accusation against these acclaimed men and our own optimistic faith in progress

The Best of Mike'S Meandering Mind Mike Holst,2017-05-15 In August of 2007 I started writing a weekly column for my hometown newspaper the Northland Press This book is a collection of those essays published over the years They depict everything from life itself to my roots nature pet stories holidays of the year fishing hunting sports eulogies and memories of days gone by I hope you enjoy reading them as much as I enjoyed writing them Mike Holst

Catholicism and Historical Narrative Kevin Schmiesing,2014-01-30 Stories about the past shape not only the way people think about history but also the way they act in the present Nowhere is this truer than in the area of religion which has been and continues to be a powerful motivating force in the lives of billions around the globe In this volume Catholicism and Historical Narrative A Catholic Engagement with Historical Scholarship contributors explore the way stories are constructed and show how a focus on Catholic figures and concerns challenges common understandings of important historical episodes and eras Editor Kevin Schmiesing has gathered a distinguished group of scholars who in various ways call into question conventional story lines by highlighting previously neglected Catholic ideas and individuals Built on ample evidence and employing keen insight each essay is the result of cutting edge research in fields ranging from historical research on Puritan New England and the antebellum South to the history of abortion to the twentieth century papacy Students and scholars of religious history Catholic historians and anyone interested in the intersection of religion and history will all find here much to interest and maybe even surprise in the chapters arguments concerning the deficiencies of history s dominant narratives The volume s focus on the history of Catholics in the United States makes it essential reading for anyone seeking to understand the place of Catholicism in the American story

American Law Reports ,1995

Modern Motherhood Jodi Vandenberg-Daves,2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the maternal role have been part and parcel of the development of American society Modern Motherhood travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in providing for and nurturing their

families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over
