Marcas** Honoré de Balzac,1904 *The Brotherhood of Consolation* Honore de Balzac Translated by Katharine Prescott Honore de Balzac Translated by Katharine Prescott Wormeley,2018-10-18 Godefroid was in debt As a first test a first task he resolved to live in some retired place and pay his debts from his income To a man accustomed to spend six thousand francs when he had but five it was no small undertaking Every morning he studied advertisements till the following met his eye

The brotherhood of consolation. Z. Marcas Honoré de Balzac,1898 **The Brotherhood of Consolation** Honoré de Balzac,1904 The Brotherhood of Consolation Honore de Balzac,2008-05-01 The Brotherhood of Consolation (Large Print) Honoré de Balzac,2012-11-01 On a fine evening in the month of September 1836 a man about thirty years of age was leaning on the parapet of that quay from which a spectator can look up the Seine from the Jardin des Plantes to Notre Dame and down along the vast perspective of the river

to the Louvre There is not another point of view to compare with it in the capital of ideas We feel ourselves on the quarter deck as it were of a gigantic vessel We dream of Paris from the days of the Romans to those of the Franks from the Normans to the Burgundians the Middle Ages the Valois Henri IV Louis XIV Napoleon and Louis Philippe Vestiges are before us of all those sovereignties in monuments that recall their memory The cupola of Sainte Genevieve towers above the Latin quarter

The Brotherhood of Consolation (Classic Reprint) Honoré de Balzac,2016-06-25 Excerpt from The Brotherhood of Consolation This last remark made the dreamer at the parapet quiver The man who made it little knew that to use a proverbial expression he was killing two birds with one stone addressing two miseries a working life brought to despair a suffering soul without a compass the victim of what Panurge s sheep call progress and what in France is called equality The words simple in themselves became sublime from the tone of him who said them in a voice that possessed a spell Are there not in fact some calm and tender voices that produce upon us the same effect as a far horizon outlook About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
