H Kauffman

The Buick A Complete History First Edition:

Billy Durant Lawrence R. Gustin,2012-10-16 Praise for the first edition A fascinating book and a sympathetic look at the man who glued General Motors together and in the process made Flint one of the great industrial centers of America Detroit Free Press It is refreshing to report that Billy Durant is one of the best researched books dealing with an automotive giant Antique Automobile Billy Durant fills in a masterly way the only important void remaining concerning the work of the motorcar pioneers Richard Crabb author of Birth of a Giant The Men and Incidents That Gave America the Motorcar What explains Billy Durant s powerful influence on the auto industry during its early days And why given Durant s impact has he been nearly forgotten for decades In search of answers to these questions Lawrence Gustin interviewed Durant s widow who provided a wealth of previously unpublished autobiographical notes letters and personal papers Gustin also interviewed two of Durant s personal secretaries and others who had known and worked with the man who created General Motors The result is the amazing account of the mastermind behind what would become as the twentieth century progressed the world s largest company

Chevrolet Michael W. R. Davis,2012 The Chevrolet car and truck business traces its roots back to Michigan s lumber industry in the middle of the 19th century Lumber mills gave way to carriage and wagon manufacturing and the claim before motorcars burst on the scene that Flint was the vehicle capital of the world This is the story of how those wagon makers quickly converted to producing automobiles overtaking automotive pioneer and archrival Ford in sales and building the Chevrolet brand into the global powerhouse entity it is today This volume traces the first half 1911 1960 of Chevrolet s 100 year history in photographic detail and provides an unparalleled spotter guide for long forgotten or never known Chevrolet cars and trucks
