

THE CANAL BUILDERS

THE MEN WHO CONSTRUCTED
BRITAIN'S CANALS

Anthony Burton

The Canal Builders

Ira E. Bennett

The Canal Builders:

The Canal Builders Julie Greene,2009-02-05 A revelatory look at a momentous undertaking from the workers point of view The Panama Canal has long been celebrated as a triumph of American engineering and ingenuity In *The Canal Builders* Julie Greene reveals that this emphasis has obscured a far more remarkable element of the historic enterprise the tens of thousands of workingmen and workingwomen who traveled from all around the world to build it Greene looks past the mythology surrounding the canal to expose the difficult working conditions and discriminatory policies involved in its construction Drawing extensively on letters memoirs and government documents the book chronicles both the struggles and the triumphs of the workers and their families Prodigiously researched and vividly told *The Canal Builders* explores the human dimensions of one of the world's greatest labor mobilizations and reveals how it launched America's twentieth century empire

The Canal Builders Anthony Burton,2015 **The Canal Builders** Robert Payne,1959 *The Canal Builders* Anthony Burton,2015-11-30 *Canal Builders* is a classic history book for anyone interested in the development of Britain's canal system The book which was first published in the 1970s is now republished here in a new fifth edition It takes the reader from the middle of the eighteenth century to the start of the railway age in the early nineteenth century Anthony Burton has revised and improved the original text using new material that he has found in archives since it was first published and has added many extra illustrations This is the remarkable story of the many groups of people who were responsible for building Britain's canal system There were industrialists such as Josiah Wedgwood who promoted canals to help his own industry and speculators financed the projects in the hope of a good return The work was planned by engineers some of whom such as James Brindley and Thomas Telford have become famous while others have remained virtually unknown but still did magnificent work This is also the story of the great anonymous army of men who actually did the work the navvies This was the first book ever to study the lives of these labourers in detail Altogether it is an epic story of how the transport route that made the industrial revolution possible was built Well planned and well written There is no better introduction to the early canal age [The Economist](#)Links End Links Author End Author *The Canal Builders* Robert Payne,1959 **The Canal Builders** John M. Bassett, Liikson, Carl,1971 *History of the Panama Canal* Ira Elbert Bennett,1915 *The Builder* ,1906 *History of the Panama Canal* Ira E. Bennett,2015-06-25 Excerpt from *History of the Panama Canal Its Construction and Builders* In the ensuing pages an effort has been made to tell the plain unvarnished story of Panama and the Panama Canal The information contained herein has been gathered from many publications and from public and private persons The records of the Government have been available at all times to the writer thanks to the courtesy of the authorities at Washington and of Major General Goethals Special acknowledgments are due to the Hon William H Taft who as Secretary of War and President of the United States from 1904 to 1913 directed the affairs of the Panama Canal from its beginning to its virtual completion In 1912 President Taft wrote to the author as follows My dear Mr

Bennett I am very glad to hear from you that you contemplate publishing a history of the construction of the Panama Canal There is a great deal of detail connected with it which is forgotten and yet which is interesting to know with respect to the great work There are a good many facts indeed that have never been brought to the public attention that are of record and ought properly to be put in an historical form I shall be very glad myself to furnish you with all the data that I have in my correspondence which covers the whole life of the Canal from the very day that the Canal Zone was turned over by the Republic of Panama to the United States I am glad that such an enterprise is on foot Cordial encouragement was extended also by the Hon Henry L Stimson Secretary of War and Col George W Goethals Chairman and Chief Engineer of the Isthmian Canal Commission Mr Stimson wrote I think it is very important that a full and careful history of the construction of the Panama Canal should be written while people are still alive in whose memories many of the most important events will rest and I am very glad to hear that you are contemplating publishing such a history I should be glad to put at your disposal all the data that I properly can while in office here in the Department which has had supervision to a certain extent over the work Col Goethals wrote I am very glad to hear from you that you contemplate publishing a history of the construction of the Panama Canal To facilitate you in the enterprise I will take pleasure in authorizing you to collect information from any reliable source and give you access to the records for verification of such information or any additional data that may be available The author is indebted to Prof Patrick J Lennox Professor of English Language and Literature at the Catholic University of America for valuable assistance in preparing the history of the Isthmus of Panama About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Hearings United States. Congress Senate, 1939 *History of the Panama Canal: Its Construction and Builders (1915)*
Ira Elbert Bennett, 2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Reports of the New York State Commission for the Revision of the Tax Laws, 1916-1938* New York (State).
