The Candle And Halo:

The Candle and Halo John S. Montgomery,2005-09 The author endeavors to bring forth new and deep insight to the reader in a style never presented before now He uses his own true life adventures with the Divine and Demonic bolstered by presentation of iconic paintings and photographs taken from his worldwide collection of over 200 ranging from 1531 A D to 9 11 2001 He suggests that even though the reader may not accept the stories as factual happenings the reader will benefit from the provocative and controversial thoughts giving new meaning why fundamentalism is the only answer to bring about a true and lasting peace on earth Some readers may experience an inability to see all of the photo illustrations in this book while others may see more than the information provided by author The author states it is in this manner provided by the Lord that you will know these photos are not man made nor results of defects in the cameras from around the world as professional skeptics would have you believe
