Thomas Christie

The Canongate Strangler:

The Canongate Strangler Angus McAllister, 1990 *The Cyber Puppets* Angus McAllister, 2018-05-15 His life was like a soap opera but that was only the start of his troubles Scott Maxwell was worried Not about his wife Fiona s unfaithfulness or about his brother in law Wilson Laird s devious scheming or about his other brother in law Roddy s alcoholic excesses As a member of the wealthy Laird family and part of their distilling business such things came with the territory Scott was more concerned about his lack of free will his frequent memory lapses and the fact that no one seemed to notice when his father in law Hector was replaced by an imposter And when the reality around him collapsed plunging him into a devastated future world it was time for Scott to be seriously alarmed *The Cyber Puppets* is a satirical comedy written as a science fiction story Angus has invented a soap opera plot in the style of *Dallas* and *Dynasty* relating to a rich family of Scots Americans which drives the narrative This book will appeal to science fiction readers and comedy fans alike and will also be enjoyed by fans of Angus s previous work *Murder in the Merchant City* Angus McAllister, 2019-02-07 In Glasgow a single mom with a secret life gets caught up in murder A gripping whodunit with a good measure of comedy Scottish Field Annette Somerville a young single mother earns her living giving men massages along with a few extra services at a high class Glasgow sauna scrupulously keeping her respectable home life separate from her professional activities Then during a series of seemingly unconnected murders in the city Annette realizes that all the victims have been regular customers No one else seems interested and her boss makes it clear that going to the police will cost Annette her job But Annette s new boyfriend a former customer of the sauna could be the murderer s next victim This is a unique and witty crime thriller from the author of *Close Quarters* praised as excellent reading by *Scots Magazine* *Close Quarters* Angus McAllister, 2017-05-02 Walter Bain is the self appointed dictator of the tenement at 13 Oldberry Road in Glasgow s cosmopolitan west end For years Walter has striven to impose his family values stairs must be regularly washed noise kept down and wheelie bins moved back and forth at the correct times When Walter is found murdered there are plenty of suspects among his ungrateful neighbours Comic book dealer Billy Briggs is estranged from his daughter with his business in ruins and Tony Miller is jobless and facing eviction all because of Walter Henrietta Quayle bullied and belittled by the dead man conceals a murderous obsession beneath her timid exterior And alcoholic solicitor Gus Mackinnon has even more reason to hate Walter than anyone else As *Close Quarters* takes a look back over the years at the various turbulent relationships between Walter and his neighbours one thing becomes clear although only one may be the murderer none of them will mourn his passing *Close Quarters* is primarily a comedy and will particularly appeal to Scottish readers as it satirises the traditional and sentimental view of Glasgow s tenement life by placing it in a modern setting The book will also appeal to readers of crime fiction **Notional Identities** Thomas Christie, 2014-07-18 *Notional Identities* takes up the challenge of engaging with the popular genres of speculative fiction and crime fiction by Scottish authors from the mid 1970s until the beginning of the twenty first century examining a variety of

significant novels from across the decades in the light of wider considerations of ideology genre and national identity The book investigates the extent to which the national political and cultural climate of this tumultuous era informed the narrative form and social commentary of such works and considers the manner in which and the extent to which a specific and identifiably Scottish response to these ideological matters can be identified in popular prose fiction during the period under discussion Although Scottish literary fiction of recent decades has been studied in considerable depth Scottish popular genre literature has received markedly less critical scrutiny in comparison Notional Identities aims to help in redressing this balance examining popular Scottish texts of the stated period in order to reflect upon whether a significant relationship can be discerned between genre fiction and the mainstream of Scottish literary writing and to consider the characteristics of the literary connections which exist between these different modes of writing

Contemporary Scottish Gothic T. Baker, 2014-10-29 An innovative reading of a wide range of contemporary Scottish novels in relation to literary tradition and modern philosophy *Contemporary Scottish Gothic* provides a new approach to Scottish fiction and Gothic literature and offers a fuller picture of contemporary Scottish Gothic than any previous text

The Scottish Novel Since the Seventies Gavin Wallace, Randall Stevenson, 1993 The last two decades have seen a new renaissance in Scottish literary culture in which the Scottish novel has attained new heights of maturity confidence and challenge *The Scottish Novel since the Seventies* is the first major critical reassessment of the developments in this period Ranging from the work of longer established authors such as Robin Jenkins Muriel Spark and William McIlvanney to the more recent experiments of Alasdair Gray James Kelman and Janice Galloway it provides a new critical focus on the intriguing relationship between continuity and innovation which characterises the novel's response to the complex changes in Scottish culture and society during the past twenty years The contributors assess the work of an extensive number of writers in the context of a correspondingly wide range of issues gender postmodernism political identity archaism and myth and the theme of disintegration There are also chapters on the continuing growth of the Glasgow novel and film adaptations of Scottish fiction A bibliography of Scottish fiction since 1970 completes this critical account

Lawful Occasions Andrew Lothian, 1991 Collection of essays by and about Scottish writers on the subject of law

Science Fiction and Fantasy Literature, 1975-1991 R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald's *Science Fiction and Fantasy Literature 1700-1974* Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating

volumes containing two novels Annotation copyright by Book News Inc Portland OR **The Journal of the Law Society of Scotland** ,1991 **Annual Report and Accounts** Arts Council of Great Britain,1990 **The Guardian Index** ,1990 **Scottish Libraries** ,1989 Nova Scotia Neil Williamson,Andrew J. Wilson,2005 This anthology comprises works from established and up and coming writers such as Ken MacLeod Charles Stross and Ron Butlin The stories come under the heading of speculative fiction including science fiction fantasy horror magic realism and alternate history **The Bibliography of Crime Fiction, 1749-1975** Allen J. Hubin,1979 **Backwards to Britain** Jules Verne,1992 In 1859 a stockbroker called Jules Verne to England and Scotland with a musician friend Although re routed via Bordeaux ie backwards they discovered at long last a magical kingdom of steam wind and rain poetry and pubs lochs and bays Dickens and Scott The experience so moved Verne that he wrote a book about it his first full length narrative The publisher Hetzel thought something more topical might sell better and the manuscript was set aside But Verne obstinately persisted as a writer of prose often starring British heroes or with a Scottish setting In the end he became the best selling novelist ever and the most translated in the world Backwards to Britain is now published in English for the first time It is a delightful account of Victorian Liverpool Edinburgh and London and a hymn to this strange country Full of amusing adventures and perceptive analyses Back cover *Whitaker's Book List* ,1991 New Statesman ,2006-06 Kaapse bibliotekaris ,2003 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Whitaker's Books in Print** ,1998

The Canongate Strangler Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Canongate Strangler free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Canongate Strangler free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Canongate Strangler free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Canongate Strangler. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Canongate Strangler any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Canongate Strangler Books

1. Where can I buy The Canongate Strangler books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
