The Dark Path Dark Wing:

The Dark Path Walter H. Hunt, 2003-02 Walter Hunt's debut novel *The Dark Wing* was favorably compared to *Ender's Game*, *Babylon 5*, *Honor Harrington*, and *C S Forester* and the story isn't over yet. Man and Zor, once sworn enemies, engaged in a mutual campaign of xenocide, now live side by side. The war is over and Admiral Marais, the legendary Dark Wing, both Angel of Death and Species Savior, is long dead, though some of his companions and participants in that great war still survive and have even chosen to live among the Zor. Now a mystery from the past has become a threat to the present when an unholy menace jeopardizes both humans and Zor alike. Whole space fleets have disappeared with survivors stricken mad. And now man and Zor alike must join forces to meet this adversary head on.

The Dark Wing Walter H. Hunt, 2002-11-18 The Zor is just one of the alien races that humanity encounters when it travels to the stars and from the very first meeting it has been all out war. For many years the conflicts have been sporadic, usually ending with an Earth concession and a treaty. But the Zor does not respect mankind and has no intention of honoring the agreements. When the Zor decide to mount a surprise attack against human colonies, the normally self-absorbed government of Earth realizes that something must be done before it is too late. A controversial scholar by the name of Marais is brought in. A nonmilitary man, he has spent his entire life studying the Zor and claims to have a plan to deal with them once and for all. With so few options remaining, Marais is put in charge of the battlefleet. Earth just wants the threat neutralized and would be happy with a stalemate, but Marais has other ideas. He believes himself to be the mythic Dark Wing, destined to exterminate the Zor.

The Dark Crusade Walter H. Hunt, 2006-05-30 *The Dark Path* introduced a new alien force into the delicate balance of power. This force was the actual puppetmaster of the human Zor war and now wishes to bring both worlds under its madness-inducing shadow. *The Dark Ascent* brought into focus a secret conspiracy that is disrupting the balance of power on both a military and metaphysical level. But the same ancient philosophy of the Zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace, a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre. Now in *The Dark Crusade*, as armadas clash and outposts fall, the overly confident alien menace is forced to confront a Zor-human alliance that has been warned their covert and insidious plans of infiltration, now exposed, but all is not as it seems to be. The Vuhl menace may not be the ultimate enemy and the all-powerful puppetmasters that have lurked in the shadows have entered the endgame where the mysteries of alien prophecies may have already determined the outcome. Though victory is hardly attained by either side in *The Dark Crusade*, the page-turning and thought-provoking climax will forever alter the fate of sentient life in the galaxy.

The Dark Ascent Walter H. Hunt, 2005-08 Walter Hunt's debut novel *The Dark Wing* was favorably compared to *Ender's Game*, *Babylon 5*, *Honor Harrington*, and *C S Forester*. The publication of the second volume, *The Dark Path*, was heralded by *Analog* as a quest that may well prove science fiction's version of *The Lord of the Rings*. *The Dark Ascent*: The war with the Zor is long over and Admiral Marais, the legendary Dark Wing, is long dead, though some of his

companions on that campaign of xenocide still remain and in the alien philosophies of the past their might exist man's hope for salvation in the very near future The Dark Path introduced a new alien force into the delicate balance of power one that was the actual puppetmaster of the human-zor war and now wishes to bring both worlds under its madness-inducing shadow But the same ancient philosophy of the zor race that prophesized the Dark Wing has also foreseen a hero that will meet the new menace a hero now mystically embodied in a rebellious space commodore by the name of Jackie Lappierre As armadas clash and outposts fall the overly confident alien menace is forced to confront a zor-human alliance that has been warned their covert and insidious plans of infiltration now exposed though victory is hardly ascertained for either side in The Dark Ascent
