The Darkness Of Doubt

William MACCALL (Unitarian Minister.)

The Darkness Of Doubt:

Overcoming Doubt Neil T. Anderson, 2004-02-27 Everyone has doubts. Doubting is a normal part of the process of arriving at an ultimate decision of belief or unbelief. Persistent doubting, however, can affect your mental health, keeping you from living a productive life. The answer is to be assured of what you believe and start living by faith in God. Dr. Anderson explains the nature of doubting and the nature of faith, leading you to go beyond your doubts to live a fruitful life. You will come to understand the spiritual battle waged daily for your mind, as it is here where many doubts are formed. You are God's dear child, and He has promised to guide you into truth. Remember that God is truth, and He cannot lie, and learn to overcome your doubts by choosing to believe in Him and His timeless Word. The bishop of London's Lenten mission, addresses Arthur Foley Winnington-Ingram (bp. of London.), 1905 Emotion in Aesthetics Warren A. Shibles, 2013-03-09 Emotion in Aesthetics is the first book on aesthetics to provide an extensive theory of emotion, application of the cognitive emotive theory to aesthetics, analysis of the relationship between aesthetics, metaphor, and emotion, a full theory of meaning and its application to aesthetics, discussion of the relationship between aesthetics, music, and language in terms of phonetics, phonology, and intonation, an analysis of humanistic aesthetics, a well-developed naturalistic theory of ethics as applied to aesthetics, and emotion. Stress is placed on the views of contemporary philosophers, as well as some of the main historical accounts of emotion in aesthetics. The important recent work on emotion has not hitherto been applied to aesthetics. As a result, there is still much confusion in aesthetics about aesthetic emotion and related concepts such as the expression theory of emotion. The present book has been written to show how the theory can be used to clarify the issue, resulting in a major breakthrough in aesthetics. In addition, the theory presented is valuable in relating aesthetics to ethics and humanism. Eric Raeuber: These works were spilled onto paper not because of want, but because of an unshakable need. Some may find value in them, while others will find them completely worthless. Both views are valid. It is up to the reader to make his own interpretation and decide if they hold any substance. **Modern sermons**, 1886 **Metaphysical Magazine**, 1901 Fingerprints of Fire, Footprints of Peace Noel Moules, 2012-09-28 In this vibrant and radical book, Noel Moules offers a compelling vision of identity, community, life, and faith from a Jesus perspective. By sketching a bold and colourful manifesto that teems with graciously passionate provocation, the author explores creativity, wisdom, spiritual growth, truth, ecology, values, justice, faith, dialogue, and activism, all wrapped in the thrilling, encompassing vision of shalom. Presenting a rooted and rugged spirituality that is accessible to all readers, this book asks big questions and
