The Deadly Innocents:

The Deadly Innocents Muriel GARDINER,1985 *The Deadly Innocents* Muriel Gardiner,1976 **Anne Perry and the Murder of the Century** Peter Graham,2013-03-20 On June 22 1954 teenage friends Juliet Hulme better known as bestselling mystery writer Anne Perry and Pauline Parker went for a walk in a New Zealand park with Pauline s mother Honora Half an hour later the girls returned alone claiming that Pauline s mother had had an accident But when Honora Parker was found in a pool of blood with the brick used to bludgeon her to death close at hand Juliet and Pauline were quickly arrested and later confessed to the killing Their motive A plan to escape to the United States to become writers and Honora s determination to keep them apart Their incredible story made shocking headlines around the world and would provide the subject for Peter Jackson s Academy Award nominated film *Heavenly Creatures* A sensational trial followed with speculations about the nature of the girls relationship and possible insanity playing a key role Among other things Parker and Hulme were suspected of lesbianism which was widely considered to be a mental illness at the time This mesmerizing book offers a brilliant account of the crime and ensuing trial and shares dramatic revelations about the fates of the young women after their release from prison With penetrating insight this thorough analysis applies modern psychology to analyze the shocking murder that remains one of the most interesting cases of all time *When Kids Kill* Jonathan Paul,2011-10-31 Jonathan Paul goes behind the sensationalist headlines of child killers to investigate why these crimes happen He examines child homicide in today s violent confusing world and contextualises it against the cruel unforgiving retribution of yesterday Children are increasingly experimenting with drugs and committing offences but there are those who commit the worst possible crimes to end another person s life before their own could properly have begun The cases are shocking but sometimes the path towards them is even more so This is a fascinating exploration of disturbing events aimed at discovering what happens when childhood is trodden underfoot and when and why kids kill **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1977 **Deadly Innocence** Scott Burnside,Alan Cairns,2008-10-22 This true crime expos reveals a chillingly intimate portrait of the newlywed serial killers who preyed on schoolgirls in suburban Niagra Falls Karla and Paul seemed like a picture perfect couple but their wholesome smiles and charming good looks hid a sinister reality Together they abducted sexually tortured and murdered innocent schoolgirls gleefully videotaping their evil acts When their vicious crimes came to light they became known as the Ken and Barbie Killers Billed as the crime of the century in Canada this case has received a great deal of media coverage on both sides of the border *Deadly Innocence* presents an inside account of their life and crimes through exclusive interviews with their closest friends It includes eight pages of photos **Crime and Delinquency** ,1977 **Parker & Hulme** Julie Glamuzina,Alison J. Laurie,1995 Juliet Hulme and Pauline Parker were teenagers in New Zealand ages 15 and 16 when in June 1954 they killed Pauline s mother The murder resulted in a sensational court case extensive local and international media coverage and a public association of lesbianism with evil

insanity and extreme violence In 1991 two New Zealanders published Parker Hulme A Lesbian View By zeroing in on the circumstances and significance of the case beyond the mad or bad sound bites bandied about almost 40 years earlier the authors exposed the issues of sexuality and social control classism homophobia racism within which the headlines were mired After the release of Heavenly Creatures the successful movie based on the murder case Juliet Hulme was outed as the well known mystery writer Ann Perry alive and well and living in Scotland A second furor erupted as the now 56 year old Hulme Perry disclaimed any memory of a lesbian involvement with her cohort **Social Casework**, 1982 Ribbin', Jivin', and Playin' the Dozens Herbert L. Foster, 1990 Every six months or so a study reports about our inability to educate black males Yet after reading Ribbin Jivin and Playin the Dozens The Persistent Dilemma in Our Schools teachers learned how to teach black males Through 99 Realities and other examples Ribbin describes discusses and explains black male street corner language and behavior and how it is played out in the classroom Too often teachers misunderstand and misinterpret their black male student s language and behavior resulting in their black male students being referred to special education or considered a discipline problem disproportionate to their numbers in the school Ribbin will provide you with the educational insight to successfully educate black males the information woefully lacking in contemporary education courses Authentic examples are provided that demonstrates how some teachers handled challenging situations with their black male students to help you develop your own teaching style relative to your persona and student population When you open Ribbin Reality 1 is a must read it recounts my first day of substitute teaching in the N Y C Public Schools and what happened to me that Friday morning I was so discouraged I considered suicide that weekend because I always wanted to be a teacher and after one day I was a failure However read how I rebounded on Monday and turned things around To enhance your ability to teach black males Chapter 8 about dress and grooming for teachers is a must In brief respect and feelings about yourself and your students is demonstrated by dressing professionally at minimum neat and clean Your students expect you to dress well Your students will keep a record of what you wear on what day and whether that stain has been cleaned away Indeed your students will compare notes on what car you drive the watch you wear and your dress style Chapter 5 Jive Lexicon and Verbal Communication is about words students may use to dupe or test you Students must learn Standard English the sine qua non to for economic success Your students need a Standard English teaching model to emulate However teachers should learn the language their students use It is viewed as barrier busting when students observe you trying to be hip and use their language of course this means acceptable vocabulary Moreover it may be appropriate for your students to use the vernacular depending upon the subject you teach Chapter 6 about classroom contests provides information about the games some students use to con provoke or test your street knowledge Playing the Dozens from an historical perspective to how it plays out negatively in classrooms is described and explained If you are unfamiliar with Playing the Dozens also known by other names best you learn Hence examples of teachers positively handling the dozens are presented Reading Chapter 7 will help

you through my Four Step Plan for Classroom Management and School Discipline You need to get order for you to teach successfully Your primary responsibility as a teacher is to figure out how to achieve an orderly and safe classroom so that your students can relax and allow you to teach them If you wish to become a successful teacher buy Ribbin If you want to be told how to become a teacher do not buy Ribbin If you see yourself as a professional teacher and willing to change your teaching behavior first in order to get your students to change their behavior purchase Ribbin In sum a well designed lesson plan will not ensure classroom success Teachers must make educational and behavioral demands on students black males in particular Ribbin demystifies this persistent dilemma Without a question black males can and must be taught Standard English mathematics and the so called middle class skills needed to make it economically in the U S **Choice** ,1976
