**The Calling** Christine A. Swanson, 2005 In the world was Lore and Lore delighted the eye It spread itself across the land whispered to men through the earth and foliage through crystalline devices Here one form of Lore develops there some diverse facet each the embodiment of man s greatness But Lore is cunning for men can only think to be great and conscience often doesn t speak loudly enough Here is the epic struggle between men and the Lore they wield a conflict mirrored in the ordeals faced by the hero who would save them He was bred to be a leader a Lifeward with no other emotion than anger What strange hand turns a stone heart into an aching void What unworthy Lifeward dares to live such blasphemy Adored by some but despised by his own kind Saydon is beleaguered by his flaws disgusted with himself And yet he refuses to surrender for above all else he is goaded to answer the whispers calling his name

**The Anti-Black City** Jaime Amparo Alves, 2018-02-13 An important new ethnographic study of S o Paulo s favelas revealing the widespread use of race based police repression in Brazil While Black Lives Matter still resonates in the United States the movement has also become a potent rallying call worldwide with harsh police tactics and repressive state policies often breaking racial lines In *The Anti Black City* Jaime Amparo Alves delves into the dynamics of racial violence in Brazil where poverty unemployment residential segregation and a biased criminal justice system create urban conditions of racial precarity *The Anti Black City* provocatively offers race as a vital new lens through which to view violence and marginalization in the supposedly raceless S o Paulo Ironically in a context in which racial ambiguity makes it difficult to identify who is black and who is white racialized access to opportunities and violent police tactics establish hard racial boundaries through subjugation and death Drawing on two years of ethnographic research in prisons and neighborhoods on the periphery of this mega city Alves documents the brutality of police tactics and the complexity of responses deployed by black residents including self help initiatives public campaigns against police violence ruthless gangs and self policing of communities *The Anti Black City* reveals the violent and racist ideologies that underlie state fantasies of order and urban peace in modern Brazil Illustrating how governing through death has become the dominant means for managing and controlling ethnic populations in the neoliberal state Alves shows that these tactics only lead to more marginalization criminality and violence Ultimately Alves s work points to a need for a new approach to an intractable problem how to govern populations and territories historically seen as ungovernable

hills of Mussoorie lay the curious village of Abhootpuram a place that pretends to be a township but feels like a secret tucked away from the world It s here that Arjun a sensitive and withdrawn teenager wrestles with the shadows of his own mind a bit of grief and the invisible weight of growing up alone Haunted not just by memories but by things far more real Arjun s journey into adulthood becomes entangled with the spirit world that hums just beneath the surface of Abhootpuram Among the lingering souls is Franklin Roosevelt D Souza a bitter angry man in life and now a ghost unable to find peace in death Hated and feared by the villagers Franklin died as he lived alone furious and full of unresolved pain But in death his loneliness only grew deeper When Arjun and Franklin s worlds collide the line between the living and the dead begins to blur What starts as a haunting turn into an unlikely companionship one forged through shared sorrow fractured dreams and the desperate search for meaning Together they must face their pasts and the choices that bind them in a place where forgiveness is the only way forward and redemption might just be found in the unlikeliest of friendships THE GHOST WHISPERER is a poignant yet quirky coming of age tale wrapped in a tongue in cheek humour a story of love loss and the healing that can happen when two restless souls one living and one dead decide it s not too late to change their fate
