The Defense Never Rests:

Justice Never Rests William Kolibash, Shariane Kolibash Taylor, 2025-01-28 As soon as I slid the contents from the envelope I knew it was a bomb So opens Justice Never Rests the story of U S Attorney William Kolibash s relentless fight against organized crime in the foothills of West Virginia and beyond Not content with only the investigative and prosecutorial tools at his disposal Kolibash sought new and different means to put away kingpins who d successfully skirted the law Toward that end he pioneered the use of the RICO statute to bring criminals to justice and became the first U S Attorney ever to make use of multi jurisdictional task forces and investigative grand juries In his twenty years in the Northern District of West Virginia first as an assistant and then as the sitting U S Attorney Kolibash prosecuted all manner of crimes and criminals ranging from old school moonshiners who operated a massive marijuana ring to sex traffickers to violent Jamaican posses to major drug dealers at the forefront of the cocaine wave He also convicted the notorious Godfather of midwestern crime Paul Hankish and finished his career by bringing down the murderous and corrupt swami of the Hare Krishna movement Hardly adverse to ruffling feathers within the judicial system itself Kolibash assembled his own Untouchables like team of local state and federal crime fighters as comfortable with numbers as they were with guns Even when his own life was threatened Bill Kolibash wasn t about to rest Because justice never rests either **THE DEFENSE NEVER RESTS F. LEE BAILEY, 1971** Radio Series Scripts, 1930-2001, 2015-01-28 Who were the 35 actors that performed with stars Bud Abbott and Lou Costello in radio s The Abbott and Costello Show Do scripts survive for the old Burns and Allen shows or the children s crime fighter series The Green Hornet Serious researchers and curious browsers interested in Golden Age radio will find a wealth of information in this reference collection Most are from the 1930s 1940s and 1950s though subsequent decades are included for long running shows Crime series whodunits romances situation comedies variety shows soap operas quiz show series and others are included Casual browsers will find tidbits on the radio careers of notables from other media Humphrey Bogart Ginger Rogers mention of adaptations by famous authors Jack London Ray Bradbury curious episode titles The Gorilla That Always Said Yeh ah and series titles Whispering Streets and interesting sponsors Insect O Blitz The first section is an alphabetical list of T O Library s significant radio script collections with notes on their content and format The second section is the guide to series scripts by program title Entries include title and basic information including collection s in which they are found producers directors writers musicians and regular cast sponsors and holdings by date episode number and title Increasing the book s usefulness for researchers are indexes by name program and sponsor The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times

to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice

The National Union Catalogs, 1963- ,1964 Global Forensic Cultures Ian Burney,Christopher Hamlin,2019-05-21 Essays explore forensic science in global and historical context opening a critical window onto contemporary debates about the universal validity of present day genomic forensic practices Contemporary forensic science has achieved unprecedented visibility as a compelling example of applied expertise But the common public view that we are living in an era of forensic deliverance one exemplified by DNA typing has masked the reality that forensic science has always been unique problematic and contested Global Forensic Cultures aims to rectify this problem by recognizing the universality of forensic questions and the variety of practices and institutions constructed to answer them Groundbreaking essays written by leaders in the field address the complex and contentious histories of forensic techniques Contributors also examine the co evolution of these techniques with the professions creating and using them with the systems of governance and jurisprudence in which they are used and with the socioeconomic political racial and gendered settings of that use Exploring the profound effect of location temporal and spatial on the production and enactment of forms of forensic knowledge during the century before CSI became a household acronym the book explores numerous related topics including the notion of burden of proof changing roles of experts and witnesses the development and dissemination of forensic techniques and skills the financial and practical constraints facing investigators and cultures of forensics and of criminality within and against which forensic practitioners operate Covering sites of modern and historic forensic innovation in the United States Europe and farther flung imperial and global settings these essays tell stories of blood poison corpses tracking persons and attesting documents truth making egregious racism and sinister surveillance Each chapter is a finely grained case study Collectively Global Forensic Cultures supplies a historical foundation for the critical appraisal of contemporary forensic institutions which has begun in the wake of DNA based exonerations Contributors Bruno Bertherat Jos Ram n Bertomeu S nchez Binyamin Blum Ian Burney Marcus B Carrier Simon A Cole Christopher Hamlin Jeffrey Jentzen Projit Bihari Mukharji Quentin Trais Pearson Mitra Sharafi Gagan Preet Singh Heather Wolffram
