After

From the reviews of Mark Smith's earlier novels:

**England**  
"The writing is brilliant, the philosophical theorizing is made immediate and gripping." *Publishers Weekly*

**The Middleman**  
"The Middleman should be read and collected as one of the early works of a man who is likely to become a major writer of the next decade.... a superb example of the novelist's art." *Donald N. Murray, Boston Sunday Herald*

"In its syntax and abstruse humor, Mark Smith's writing is reminiscent of Faulkner, but the theme of this book is closer to Camus.... one of the best existential novels yet written in the United States." *Peter Balderhaus, New York Times Book Review*

**The Death of the Detective**  
"In its crowded landscape, its shuddering complexities and looping calculations of plot, in its haunted urban atmosphere, the novel reads as though it were written by a resurrected Charles Dickens." *George Hodge, New York Times Book Review*

"In a work great Mark Smith [is] a jeweller of words, making things fresh and giving revealing strange new faces to them. A creator of characters that are real enough to come into the room and sit down beside the reader and be touched." *Joseph Skellin, Philadelphia Bulletin*

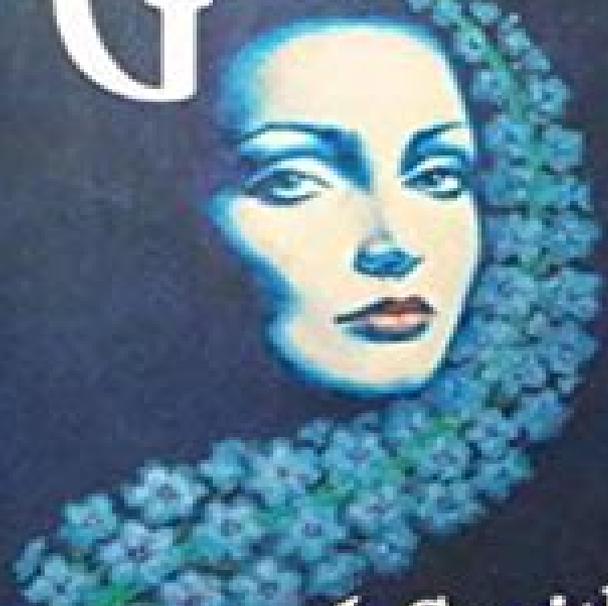

**The Bone Lamp**  
"Smith crafted forensic ambiguity and insinuations of mystery, evidence and wit make this a horror tale in the grand manner." *M. J. W. Bailey, Chicago Sunday Sun Times*
