## **The Gift Of A Rose:**

**The Gift of a Rose** Suzanne Beilenson,1997      **The Gift of a Rose** Elizabeth Patricia Smith,2004-06-03 THE GIFT OF A ROSE IS BACK IN A NEW EDITION Established authors and dead poets may cross our minds when considering what to buy for our next book of poetry Consider a book not burdened by well meaning editors forced to work around rules governing what is fit to print and what is not Our creativity shines when we know what we think and feel and are not afraid to share it with the world on our terms not that of others The book you have in your hands first published twenty years ago is a compilation of prose written during a time of healing in which the author was recovering from Stage IV breast cancer Miraculously still in remission twenty years later she brings the book to life once again      **The Gift of a Rose** Sharley Scott,2020-10-09 Maddie s future looks rosyHer relationship with her new boyfriend is blossoming and her job is going well Even better her long held dream of happiness for her lonely father seems to be coming true But roses come with thornsThe thorn in Maddie s side arrives in the guise of a man with a film star name and a scheming nature Is his interest in her purely professional And what strings will be attached If something feels wrong it often is But Maddie s in too far to disentangle herself When a vengeful ex colleague gets involved Maddie s world begins to crumble Can her relationship withstand the coming storm And are her hopes for her father doomed It may all depend on the gift of a rose      The American Rose Annual American Rose Society,1924      *A Treatise on Wills* Thomas Jarman,1880      *The Rose Annual* ,1907      **The Month** ,1900

**The Gift of a Rose** Dawn Diamond,2019-10-26 The fight to keep a daughter out of the clutches of Social Services leading to a three year battle      **The Gift of a Rose** Sherilyn Alexander,2005-01-01 Every so often a book will come along that promises answers to some of life s dilemmas and then delivers on the promise In Sherilyn Alexander s book *The Gift of a Rose* the reader is treated to a journey through spiritual growth and healing with a final destination being a clearer comprehension of Truth based in reality After a physical illness given a life altering prognosis rather than accept it Sherilyn dedicated her hopes for survival on continuing to walk her own path she healed her body by first healing her soul Interspersing her own engaging story of healing with unforgettable words of wisdom from Eastern spiritual guide Paramahansa Yogananda and other master teachers Sherilyn inspires readers to gain knowledge about Truth the supreme teacher accept the gift and responsibility of their own intuition and quietly take a leadership role in their own life *A Leap of Faith* Sherilyn recounts her unconventional journey of surrender from her initial leap of faith through first rounds of healing to the discovery of some critical lessons about how once lost harmony and balance is regained not only physically but energetically and spiritually as well Ms Alexander knows of what she writes and the author has been noted for her excellent job of demonstrating the apparent contradictions that make the journey to difficult for so many people *Walk Silently in a Straight Line* The choice was to die at 24 years old or to accept the challenge and start walking says Sherilyn and as shared in her book she chose to walk holding onto the thought You were born an original don t die a copy The story of her spiritual journey based on unconditional

love compassion and kindness is her legacy Leadership Role in Life A surprise comes when the reader realizes that the purest leader is not one who leads from the front but rather the quiet leader who is able to follow others silently always observing always changing to embrace growth and always perfecting the precious ability to listen and to be heard Sacred Intuition As the journey continues forward Sherilyn s life becomes increasingly actionable to help herself She grows into providing service to others The reader begins to realize that spiritual growth is not easy because everything is uncertain inside few are naturally shown how to see through intuition Sherilyn shares the need to not only complete lives externally but internally as well by realizing heaven within through a process of physical energy spirit integration that leads to creating life as a masterpiece True Soul s Purpose Sherilyn s sincerest hope is that these lessons shared in The Gift of a Rose will be helpful to the reader in remembering their true soul s purpose and then taking the actions necessary in the creation of a healthy and peaceful life through this simple Truth Our life and time here on earth is a gift and we have endless choices on a daily basis as to how to grow our lives by using our best assets strengths wisdom and kindness to help ourselves and share with others What finally came into focus for me was remembering my purpose for this life and how I needed to become of one mind with the best weavers of creative actions in the universe The Gift of a Rose Within silence you can hear a place of supreme Truth high Self is found and only one rule is followed The duty of the present moment To carry on peacefully with our work leaving God s business to Him it is certain that whatever happens in an individual s spiritual life or activities is always for the best God works wonders for those He loves Psalms 4:3 Let Life be One of Service By living with proper use and unfolding soul capabilities planetary consciousness is beneficially influenced This is the utmost service rendered Seeing to our own spiritual education and by doing so God s light shines through every thought word and action
