The Gift Of Knowledge:

How to Operate in the Gifts of the Spirit Steven Brooks,2014-02-18 How to Operate in the Gifts of the Spirit Now concerning spiritual gifts brethren I do not want you to be ignorant 1 Cor 12 1 NKJV Are the gifts of the Spirit operating in your life Maybe you thought that the Holy Spirit no longer gave gifts to His people in the twenty first century There s a good chance you have heard of these gifts but you have only seen them listed in a What We Believe section on a church website and you have not personally experienced their operation Steven Brooks shares solid Biblical insight and powerful personal testimony of what it looks like to exercise each of the nine gifts of the Spirit Discover how Jesus ministered supernaturally using the gifts of the Spirit and you can do the same The Holy Spirit can use any of the nine spiritual gifts through you to bring divine transformation to a person or situation You can walk in the gifts and fruit of the Spirit as a supernatural lifestyle where you do the works of Jesus with power and you reflect the character of Jesus with integrity The Holy Spirit lives within you Operate His gifts and transform the world around you

Seven Gifts of the Holy Spirit Kevin Vost,2016-12-15 Many of us fail to recognize that obtaining the seven gifts of the Holy Spirit is absolutely essential to getting to heaven We often block their reception through our own faults We fail to see how they are passed on or strengthened in the sacraments And sadly we forget to petition God in prayer to bestow these gifts upon us In these pages Dr Kevin Vost best selling author of *The One Minute Aquinas* provides us with a substantive yet readable introduction to the seven gifts and how we can humbly submit our wills to the stirrings of the Holy Spirit As Dr Vost explains these God given gifts help us to conform our lives to His image intellect and will They prevent us from being drawn into frustration and possibly self destruction by following our own sensual appetites Indeed the gifts of the Holy Spirit are the only path to being fully happy on earth and in the life to come With St Thomas Aquinas and St Bonaventure as his guides Dr Vost introduces you to the special charism of the Holy Spirit before explaining each gift one by one You ll discover the special meaning behind each of the natural and theological virtues and you ll learn the indispensable link between the seven gifts and the Beatitudes You ll also learn How the seven gifts differ from the fruits of the Holy Spirit The three ways to perfect fear of the Lord The one sacrament that helps you fortify fortitude it s not the one you think How the gift of knowledge differs from the gift of understanding The seven steps to unwrapping and sharing each of the Holy Spirit s gifts The greatest of the seven gifts and why you must possess it to attain heaven Are the seven gifts habits we must develop or does the Holy Spirit instill the habits in us Don t let another year go by without unwrapping and enjoying the gifts of the Holy Spirit Read this book and then accept the seven gifts the Holy Spirit so desperately wants to give you

Christian Faith and the Theological Life Romanus Cessario,1996 What does it mean to believe in God This question still provokes a recalcitrant world In spite of the apparent disinterest of our age the religious question continues to task and to vex sometimes quietly sometimes dramatically When religious divisions occasion civil strife believers are faced with an even more radical inquiry Wherein lies the real truth about Christian doctrine and its place in our lives Can we appeal to any authority for belief How do we escape the suspicions of a skeptical age In this book Romanus Cessario explores these questions and suggests responses taken from the history of theology He offers a readable account of the accumulated wisdom of the Christian tradition concerning the faith question citing as major authorities the saints those who have realized the will of God throughout the ages Faith supplies not only the assurance but also the substance of things hoped for The experience of Israel teaches that God has foreseen something better for us this something better resides in the Word of God that takes flesh in the womb of the Virgin Mary Because it keeps being born again in the heart of every believer as St Thomas Aquinas reminds us it leads us to the blessedness of eternal life Since the end of the Second Vatican Council in 1965 authors have dealt mainly with the existential dimensions of Christian life This volume the fruit of more than two decades of contemplation on the virtues of Christian life complements these as well as historical studies about faith It presents a coherent meditation on faith s principal concerns its acts of belief and confession and its character as a virtue in the Christian life Father Cessario explains how the mysteries of faith what the Christian believer professes each Sunday in the Creed transform our lives and make us living images of the Triune God Consequently this book will meet a wide range of needs by answering the questions of the informed reader animating study groups and parish seminars and stimulating the ordinary believer to appropriate the depth of the riches and the wisdom and knowledge of God
