The Gods Await 1926:

The Gods Await Katherine Tingley, 2013-10 This is a new release of the original 1926 edition **The Point Loma Community in California** Emmett A. Greenwalt, 1955 *Handbook of the Theosophical Current* Olav Hammer, Mikael Rothstein, 2013-01-09 This title represents pioneering research into an important but under researched current The three sections in the book are devoted to the Theosophical Society Theosophically influenced religious currents and the interaction between Theosophy and surrounding culture **America's Communal Utopias** Donald E. Pitzer, 1997 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The co **A Republic of Mind and Spirit** Catherine L. Albanese, 2007-01-01 In the nineteenth and early twentieth centuries Mexicans and Americans joined together to transform the U S Mexico borderlands into a crossroads of modern economic development This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain Focusing on a mining region that spilled across the Arizona Sonora border this book shows how entrepreneurs corporations and statesmen tried to domesticate nature and society within a transnational context Efforts to tame a wild frontier were stymied by labour struggles social conflict and revolution *Fugitive Landscapes* explores the making and unmaking of the U S Mexico border telling how ordinary people resisted the domination of empires nations and corporations to shape transnational history on their own terms By moving beyond traditional national narratives it offers new lessons for our own border crossing age *Quarterly Bulletin* Berkshire Athenaeum and Museum, 1925 *Explorations in Music and Esotericism* Marjorie Roth, Leonard George, 2023 Scholars explore from many fresh angles the interweavings of two of the richest strands of human culture music and esotericism with examples from the medieval period to the modern age Music and esotericism are two responses to the intuition that the world holds hidden order beauty and power Those who compose perform and listen to music have often noted that music can be a bridge between sensory and transcendent realms Such renowned writers as Boethius expanded the definition of music to encompass not only sounded music but also the harmonic fabric of human and cosmic life Those who engage in pursuits called esoteric from ancient astrology magic and alchemy to recent and more novel forms of spirituality have also remarked on the relevance of music to their quests Esotericists have composed music in order to convey esoteric meaning performed music to create esoteric influences and listened to music to raise their esoteric awareness The academic study of esotericism is a young field and few researchers have probed the rich interface between the musical and esoteric domains In *Explorations in Music and Esotericism* scholars from numerous fields introduce the history of esotericism and current debates about its definition and extent The book's sixteen chapters present rich instances of connections between music and esotericism organized with reference to four aspects of esotericism as a form of thought as the keeping and revealing of secrets as an identity and as a signifier Edited by Marjorie Roth and Leonard
