The Golden Altar:

The Golden Altar Paul Douglas Castle,2024-12 This exceptional book The Golden Altar digs deep into prophecy and discusses the four angels prophesized to ascend out of the Euphrates River Truly to increase Bible knowledge this book examines the seal seven and vial plagues Knowledge of things to come is important and this look into the future book talks about the voice from the four horns of The Golden Altar Because of its importance this book talks about the voice commanding the release of the demon angels from Hell Because we need to know this book illuminates the effects of The Mark Of The Beast and during the last days our enemies will be exposed because they wear The Mark Of The Beast This unusual book identifies the Golden Altar and I believe it s probably the same altar where the Living Coals of Fire live continually Undoubtedly it s a special altar with great significance in Heaven and great importance to God Furthermore The Golden Altar of God is inside the temple of God upon the mountain of God It s located extremely close to God s throne and the Seraphim responsible for taking care of temple functions Positively it s correct to say the altars of God on this Earth connect to The Golden Altar inside God s temple Indeed I am sure our prayers travel from an Earthly altar to The Golden Altar and the Golden Altar hears the prayers of the saints on Earth Furthermore inside the temple of God upon the mountain of God the holy ones and the counsel in Heaven gather around the throne of God and the special Golden Altar of God The Golden Altar is where righteous decrees concerning Heaven and Earth are discussed and brought to an absolute conclusion This unique book The Golden Altar of God separates the literal from the symbolic This book puts hard to understand things in simple terminology because everyone interested in knowing about God needs to understand the meaning of story examples
