**The Golden Chain of Homer** . Homerus,2015-11-15 The Golden Chain of Homer is indeed a masterpiece of alchemical literature Written in down to earth language one can begin to understand alchemical principles and thus unveil the mysteries that shroud the Holy Science of Alchemy The footnotes alone form a compendium of data that is of enormous value **The Golden Chain of Homer** Anton Josef Kirchweger,2007-06-07 This is a very profound and deep work regarding the origin of life forms on earth Kirchweger dwells into the role of the four basic elements in the formation of nature and spiritus mundi He also propounds his theory regarding the influence of the omnipotent power in this regard *The Golden Chain of Homer* Hamilton and Wheeler,2012-09 The Aurea Catena Homeri written in German by Dr Anton Josef Kirchweger was first printed in 1723 though it was distributed in a handwritten format prior to that time It is said to be one of the most important books ever created giving insight into alchemy the idea that all creation no matter what its nature is closely interconnected that a deeply secret connection pervades all of nature that one thing relates to the next and things depend upon each other In The Golden Chain of Homer editors Gregory S Hamilton and Philip N Wheeler provide an English translation of Aurea Catena Homeri complete with frequent detailed footnotes and extensive commentary that offers a detailed analysis and insight into Kirchweger s work considered a masterpiece of alchemical literature The Golden Chain of Homer shows Kirchweger s book in a new enlightening way Through this translation it becomes easier to understand alchemical principles and unveil the mysteries that shroud the science of alchemy **Golden Chain of Homer** Anton Kirchweger,1993 **The Golden Chain of Homer** Gregory S.
