The Golden Dog (1877). By: William Kirby (1817-1906) William Kirby,2018-06-04 William Kirby 13 October 1817 23 June 1906 was a Canadian author best known for his classic historical novel The Golden Dog Life Born in Yorkshire England

Kirby immigrated with his parents to the United States in 1832 and then to Canada in 1839 where after visiting Toronto Montreal and Quebec City he settled in Niagara Ontario where his house still stands Kirby practised as a tanner until his marriage with Eliza Madeline Whitmore with whom he had three children one of whom died in infancy For more than twenty years Kirby was the editor of the Niagara Mail 1850 1871 which he purchased from the founder in 1850 From 1871 1895 he was a collector of customs at Niagara and in 1883 he became a charter member of the Royal Society of Canada He died at Niagara on 23 June 1906 Kirby s first full length work was a long narrative The U E a tale of Upper Canada Written in 1846 the poem spoke to his political views of the time He was unsuccessful in his attempts to have it published until 1859 when he published it himself in the Niagara Mail The Golden Dog Kirby s importance as a Canadian writer rests largely on his novel The Golden Dog Taking fifteen years to write the historical romance was set in New France in 1748 Kirby finished writing this novel in 1873 Although the first edition of the book was filled with errors it was still very well received by the public and to Kirby s delight rumoured to have been read by Queen Victoria The book was described as having both good characterisation and description used to describe rural and urban locations This novel was heavily influenced by the collection Maple Leaves by James LeMoine 7 vol 1863 1906 This provided Kirby with the history legends and oral traditions needed to write his book The Golden Dog was initially published in English and distributed within the United States without his permission in 1877 Kirby s publisher Lovell Adam Wesson and Company neglected to register the novel properly so Kirby lost all royalties for his book The copyright laws of the time stated all Canadian residents must register publish and distribute in Canada first before distributing the book elsewhere to secure copyright protection The book was then picked up by New York publisher Richard Worthington and re issued in 1878 Kirby once again was neglected royalties In 1885 Kirby secured some rights when the French translation Le Chien d Or was published Copied versions of the story were at this time widely available but unfortunately for Kirby the translated version was not selling nearly as well Sometime later Kirby was approached by L C Page and Company a publishing company from Boston with an offer of publishing a revised version of The Golden Dog Kirby accepted this offer and revised the book making corrections to the book in accordance with new developments in Quebec s history
