

A *Travis McGee* NOVEL

THE SCARLET RUSE

INTRODUCTION BY LEE CHILD

The book cover features a dark, atmospheric photograph of a person in silhouette carrying a large, light-colored wooden crate on a street at night. The street is illuminated by warm, yellowish lights, creating a sense of mystery and suspense. The background is blurred, showing other figures and lights in the distance.

[Book Review Index](#) ,1980 [Copyright in the Age of Online Access](#) João Pedro Quintais,2017-05-15 In addition to proving virtually impossible online enforcement of copyright may be undesirable because it risks encroaching upon fundamental rights and freedoms However the problem remains that creators are often not fairly remunerated for the online use of their works This book addresses the urgent need to study pragmatic legal solutions that enable Internet users to access works in the digital environment while assuring remuneration to rights holders and promoting the development of the information society This study examines legalisation schemes that favour remunerated access over exclusivity and enforcement for large scale online use by individuals It investigates whether and to what extent

these schemes referred to as alternative compensation systems are admissible under EU copyright law and consistent with its objectives responding to such questions as the following in depth What existing copyright schemes provide an alternative to the exclusive right in copyright law What online rights apply to the activities of Internet users What types of models exist for the legalisation of online use of copyright works How can the public interest shape the scope of protection of copyright Can and should we legalise non commercial file sharing and online use in EU copyright law The book carefully examines these questions in light of EU primary law relevant directives with a focus on the InfoSoc Directive case law especially that of the CJEU and legal literature in the field of copyright The analysis culminates with a proposed blueprint for a compensated limitation for non commercial individual use that is consistent with EU copyright law As a thoroughly researched and balanced response to the urgent need to rethink EU copyright law in light of its lack of social acceptance and technological adequacy this book will be of inestimable value to lawyers policymakers and scholars in the field as well as to interest groups involved in discussions for reform and modernisation of EU digital copyright law Forthcoming Books Rose Army,1996-06 *Rock Record 7* Terry Hounsome,1997 *The National Union Catalog* ,1954 Constitutes the quinquennial cumulation of the National union catalog Motion pictures and filmstrips Library of Congress Catalog Library of Congress,1954 **Directory of American Scholars** ,1982
