## **The Sea Dreamer:**

**The Sea Dreamer** Gérard Jean-Aubry,2020-04-27 Of Joseph Conrad H L Mencken has written There was something almost suggesting the vastness of a natural phenomenon He transcended all the rules There have been perhaps greater novelists but I believe that he was incomparably the greatest artist whoever wrote a novel Originally published in 1957 the year of the centenary of Conrad s birth and although he was firmly established among the world s great literary figures little was known about him generally beyond the fact that he was himself once a sailor and that the language he handled with such mastery was not the one to which he was born This was described as the definitive biography written by one of Conrad s closest friends to whom the novelist willed his personal papers It took many years to prepare and the author travelled extensively in the lands that Conrad knew and wrote about He writes with clarity compassion and understanding of Conrad s childhood in Russia where the father was exiled for Polish nationalist activities of how the youth of fifteen who had never seen the sea before became a sailor of how at twenty nine he became a British subject and master of his own ship of how in 1894 he became a novelist almost by accident rose rapidly to literary fame found new friends and established himself in literary history This is a record of the strangest and most enigmatic of lives fascinating and authoritative at the same time

Sea Dreamer Elizabeth Pulford,2012-12-01 A powerful young adult novel about the importance of friendship and love for teen girls Sea Dreamer is about relationships especially that of Cassie and Rana who have been friends since they were tiny girls When this once strong friendship begins to disintegrate Cassie tries to hold onto Rana tries to hang on to the way things were But in life nothing ever remains the same Then when Cassie discovers through a school project the possibility that an ancestor who lived in the 16th century may have been a pirate she uses it as an anchor in the now turbulent friendship Cassie who lives within the smell of the sea is a sea dreamer So strongly linked are her thoughts and moods to the sea it s as if she was born on the ever ebbing tide She relates much of her inner and outer world to the spirit of the sea With a wonderful sense of place the wild striking coastline of Otago New Zealand this novel is the perfect read for young teenage girls
