The Second City Live Audio:

The Compass Janet Coleman, 1991-11 *The Compass* began in a storefront theater near the U of Chicago campus in the summer of 1955 and lasted only a few years before its players including Paul Sills Elaine May Mike Nichols Barbara Harris Severn Darden and Shelley Berman moved on Coleman recreates the time the place the personalities and the neurotic magic whereby the Campus made theater history in America Annotation copyrighted by Book News Inc Portland OR **The Second City** Donna McCrohan, 1987 **Live and Learn** Washington Gladden, 1914 **Words on Cassette**, 2000

Something Wonderful Right Away Jeffrey Sweet, 2023-06-27 Discover the behind the scenes story of how The Second City theater created a generation of world class great actors directors and writers In the late Fifties and Sixties iconoclastic young rebels in Chicago opened two tiny theaters The Compass and The Second City where they satirized politics religion and sex Building scenes by improvising based on audience suggestions turned out to be a fine way to develop great actors directors and writers Alumni went on to create such groundbreaking works as *The Graduate* *Groundhog Day* and *Don't Look Up* Many of them also became stars on *Saturday Night Live* *Something Wonderful Right Away* features the pioneers of the empire that transformed American comedy This new edition tells even more of the story Included for the first time is an interview with Viola Spolin the genius who invented theater games that were the foundation of improvisational theater Also included are dozens of follow up stories about Mike Nichols Barbara Harris Del Close Joan Rivers Alan Arkin and Gilda Radner plus *You Only Shoot the Ones You Love* the story of how this book's author playwright Jeffrey Sweet became so involved in the community he covered that he was captured by it **The Blues Brothers** Daniel de Visé, 2024-03-19 The story of the epic friendship between John Belushi and Dan Aykroyd the golden era of improv the early days of *Saturday Night Live* and the making of a comedic film classic that helped shape our popular culture They're not going to catch us Dan Aykroyd as Elwood Blues tells his brother Jake played by John Belushi We're on a mission from God So opens the musical action comedy *The Blues Brothers* which hit theaters on June 20 1980 Their scripted mission was to save a local Chicago orphanage But Aykroyd who conceived and wrote much of the film had a greater mission to honor the then seemingly forgotten tradition of rhythm and blues some of whose greatest artists Aretha Franklin James Brown John Lee Hooker Cab Calloway Ray Charles made the film as unforgettable as its wild car chases Much delayed and vastly over budget beset by mercurial and oft drugged out stars *The Blues Brothers* opened to outraged reviews However in the 44 years since it has been acknowledged a classic it has been inducted into the National Film Registry for its cultural significance even declared a Catholic classic by the Church itself and re-aired thousands of times on television to huge worldwide audiences It is undeniably one of the most significant films of the twentieth century The story behind any classic is rich the saga behind *The Blues Brothers* as Daniel de Visé reveals is epic encompassing the colorful childhoods of Belushi and Aykroyd the comedic revolution sparked by Harvard's *Lampoon* and Chicago's *Second City* the birth and anecdote rich drug filled early years of

Saturday Night Live where the Blues Brothers were born as an act amidst turmoil and rivalry and of course the indelible behind the scenes narrative of how the film was made scene by memorable scene Based on original research and dozens of interviews probing the memories of principals from director John Landis and producer Bob Weiss to Aykroyd himself The Blues Brothers illuminates an American masterpiece while vividly portraying the creative geniuses behind modern comedy

Satire & The State Matt Fotis,2020-03-31 Satire The State focuses on performance based satire most often seen in sketch comedy from 1960 to the present and explores how sketch comedy has shaped the way Americans view the president and themselves Numerous sketch comedy portrayals of presidents that have seeped into the American consciousness Chevy Chase s Gerald Ford Dana Carvey s George H W Bush and Will Ferrell s George W Bush all worked to shape the actual politician s public persona The book analyzes these sketches and many others illustrating how comedy is at the heart of the health and function of American democracy At its best satire aimed at the presidency can work as a populist check on executive power becoming one of the most important weapons for everyday Americans against tyranny and political corruption At its worst satire can reflect and promote racism misogyny and homophobia in America Written for students of Theatre Performance Political Science and Media Studies courses as well as readers with an interest in political comedy Satire The State offers a deeper understanding of the relationship between comedy and the presidency and the ways in which satire becomes a window into the culture principles and beliefs of a country On Cassette ,1990 *The Canadian Encyclopedia* James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The
