The Secret Of A Woman's Influence:

The Secret of a Woman's Influence Joyce Rogers, 1988 **The Bible's Seven Secrets to Healthy Eating** Joyce Rogers, 2001 The Apostle Paul taught us that our bodies are the temples of the Holy Spirit. As such we should seek to glorify God with our body and spirit both of which belong to Him. Joyce Rogers introduces a healthy way to eat by discussing the nutritional and spiritual value of the seven foods that abounded in the land of Canaan in Bible times. Filled with recipes and tips, this book will encourage readers to evaluate their own eating habits and form new ones so that whatever they eat and drink honors the Lord.

A Woman's Influence Tony A. Gaskins, Sheri Gaskins, 2021-04-13 From celebrity life coach and motivational speaker Tony Gaskins Jr and his wife Sheri comes an essential guide with hard-hitting truths about a woman's undeniable influence on a relationship and the power she has to change her man for the better. Tony Gaskins has inspired others by sharing his truth, drawing millions of followers online and making him one of America's foremost experts on love and relationships. Now he and his wife explore a woman's positive impact on a relationship in this practical and accessible guide that walks you through a series of irreplaceable lessons on making personal changes that foster healthy relationships. Tony and his wife Sheri draw on their own relationship successes and failures as they examine the eighteen time-tested truths about how a woman's influence can shift a relationship for the better if used correctly. Including advice for women such as you are not a maid, show don't tell, and the 72-hour rule where the woman makes herself totally unreachable to her partner, Tony and Sheri tackle all of today's important topics such as misogyny and the grown boy syndrome while never losing the empowering and empathetic tone that Tony's loyal following has come to love and trust. Whether you are single, dating, engaged, or married, **A Woman's Influence** is a hopeful response to a culture where men behave badly and women are victimized all too often. By providing a vision that empowers women to know their worth and simultaneously bring out the best in men, this guidebook can help you make a lasting positive change to your relationship.
