The Secret Of Instantaneous Healing:

The Secret of Instantaneous Healing Harry Douglas Smith,1965 *The Secret of Instantaneous Healing* Harry D. Smith,1986-09-01 **The Secret of Instant Healing** Frank J. Kinslow, Dr.,2011-06-15 Over the last few years innovative self help methods have convinced many people of a new worldview Quantum Entrainment QE is the newest development in this area QE works with gentle touch that quietly activates the autonomic nervous system to spontaneously and naturally create an atmosphere in which deep healing can take place This amazing self help method is easy to use and needs no previous knowledge everyone can apply it As Dr Kinslow explains Quantum Entrainment is a very rapid healing process that anyone can do Whether you have a broken leg or a broken heart you need rest to heal If you want physical emotional or spiritual healing you need deep rest The deeper the rest the deeper the healing Pure awareness is the deepest rest you can get I discovered a process that instantly gives the body mind and spirit deep rest and fast healing It works in seconds That is what I call Quantum Entrainment And what is most astonishing not only does the treated individual receive deep restful healing but the person who is performing QE will also experience an immediate prolonged sense of wellbeing Give it a try you will be surprised by how powerful Quantum Entrainment is Quantum Entrainment works in minutes is easily taught requires no special training **Instant Healing** Serge Kahili King,Serge King,2000-10-06 Advocating a drug free way of healing the author explains how to master the way of the Hawaiian Shaman using words images touch and energy to treat conditions such as allergies depressions anxiety and more *The Secret of Instant Healing* Dominic Alexander,2023-01-14 Man has a hidden power that allows him to accomplish more and better things Just as the mountain towers over the plain there is a greater Self within man that transcends the finite self of the sense man This small book aims to assist men and women in discovering their wondrous Self which is their real self and when discovered reveals that they are literally and truly sons and daughters of God and the Most High It also aims to help them build character and express their inner powers of mind and spirit in a way that is wise and in harmony with universal law Under no circumstances can we avoid the discipline of life There is no way to trick fate and there is no way to get around the vast cosmic plan Each life must go through its own struggles each soul must cross its own treacherous seas and each heart must feel sorrow and grief However someone who has discovered the great secret of their identity with the Universal life and power lives in an impregnable city that is built upon and into the Rock of Truth and is immune to the effects of life's storms This work teaches the reader how to avoid making his life more difficult than it needs to be even though it does not falsely promise an easy life because if this were possible it would be the worst of disasters Instead it seeks to show how to become so strong that life seems almost easy by comparison the life or fate does not change or become easier but the individual changes and becomes stronger If people approached life with the right attitude and behaved in accordance with Universal Law most people's lives would be less troubled and painful It is hoped that this small book will assist many people in finding the Greater Self within whose

realization brings with it a realization of absolute security in expressing and using their inner spiritual and mental forces and in doing so entering a life of almost limitless power This will hopefully prevent much unnecessary suffering Instant Healing Azeem Dana,2014-12-05 Instant Healing is published to create a healer in every home based on the experience gained from being a psychologist hypnotherapist and a spiritual student This book explains the simplest technique to heal emotions which in turn enhances the healing process of any type of physical and mental disease it does not act as a substitute for the medication The author has simplified the basic principles and methods of psychology hypnotherapy and spirituality providing every layman with limited time and finance access to knowledge of these demanding subjects that are only made available to the masses in bits and pieces by the management gurus and spiritual leaders This book provides scientific explanation with practical knowledge and understanding to create peace love health and happiness within our own self and also provides methods to unearth these qualities in others This is a must read book for every parent who wants their child to become successful in all aspects of life **The Secret of Instant Healing** Frank J Kinslow,2024-01-22 Traditional Chinese edition of The Secret of Instant Healing **The Secret Science Behind Miracles** Max Freedom Long,2022-01-04 This book deals with the discovery of an ancient and secret system of workable magic which if we can learn to use it as did the native magicians of Polynesia and North Africa bids fair to change the world Contents The Discovery That May Change the World Fire Walking as an Introduction to Magic The Incredible Force Used in Magic Where It Comes From and Some of Its Uses The Two Souls of Man and the Proofs That There Are Two Instead of One The Kahuna System and the Three Souls or Spirits of Man Each Using Its Own Voltage of Vital Force These Spirits in Union and in Separation Taking The Measure of the Third Element in Magic That of the Invisible Substance Through Which Consciousness Acts by Means of Force Psychometry Crystal Gazing Visions of the Past Visions of the Future Etc Explained by the Ancient Lore of the Kahunas Mind Reading Clairvoyance Vision Prevision Crystal Gazing and All of the Psychometrically Related Phenomena as Explained in Terms of the Ten Elements of the Ancient Huna System The Significance of Seeing into the Future in the Psychometric Phenomena and in Dreams The Easy Way to Dream into the Future Instant Healing Through the High Self The Proofs and Methods Raising the Dead Permanently and Temporarily The Life Giving Secrets of Lomilomi and Laying on of Hands Startling New and Different Ideas from the Kahunas Concerning the Nature of the Complex and Healing The Secret Kahuna Method of Treating the Complex How the Kahunas Fought the Horrid Things of Darkness The Secret Within the Secret The Secret Which Enabled the Kahunas to Perform the Miracle of Instant Healing The Magic of Rebuilding the Unwanted Future The High Self and the Healing in Psychic Science How The Kahunas Controlled Winds Weather and the Sharks by Magic The Practical Use of the Magic of the Miracle **Now** ,1920 **Christognosis** ,1894 **Amazing Secrets of Psychic Healing** Benjamin O. Leaves of Healing ,1929 **Your Psychic Powers and Immortality** John Alan Appleman,1968

There has been a great deal of controversy in connection with psychic powers but I also know John Appleman In my opinion he is probably one of the most clear thinking hard headed individuals I have ever encountered He would no more be connected with the irrational or the so called lunatic fringe than he would in his capacity as a lawyer be connected with anything shabby or shoddy John has published over 50 books and over 100 articles He is a contributor to the Encyclopedia Britannica and World Book Encyclopedia and has held high office in various bar societies such as dean of International Society of Trial Lawyers and president of The Federation of Insurance Counsel among others This book has been many years in preparation and in writing Since Mr Appleman regards the writers of many psychical and metaphysical

books as kooks much of this present work is debunking in nature in order to get to basic truths Here for the first time perhaps we find assembled a physiological view of living man explaining the manner in which the brain and neural pathways evolved their functions the relationship of the conscious and subconscious existence of the soul and proof of immortality As John has so often told me he realizes that any man who has the guts to discuss any psychic subject lays his reputation on the line However since as he says there is no subject of greater importance to mankind than life after death he is willing to accept the lifted eyebrows of the skeptics and as an intensive trial lawyer to be perhaps the most critical of all investigators The evidence contained in this book has been cross examined checked and repeatedly supported by witnesses of unquestioned integrity and since these incidents are presented through the eyes of a lawyer of John Alan Appleman s impeccable integrity they cannot be brushed lightly aside front and back flaps
