The Secret Sacrament:

The Secret Sacrament Theodore F. Lee,2023-07-21 In a time when parishioners bowed down at feet of priests in front of pulpits an innocent boy is placed in foot of an altar that hides deep dark secrets Under a cloak of darkness and within the reach of the devil s grasp young Peter Malone is brought up by a religious mother with a priestly plan Blinded by the light of her spiritual salvation Mother Mary Malone pushes the parameters of obedience at all cost to achieve her spiritual reward In this distorted world of fanatical worship her seventh son of a seventh son is precariously placed in front of fallen clergy who are cloaked in deception On his preordained spiritual journey of life young Peter Malone is pushed and pulled from the good and evil forces that surrounds his every step Covered by the protection of three good priests Peter is lifted with faith and filled with inspiration while growing into an adult Watched closely by the peering eyes of evil three evil priests Peter is confused by their disturbing deeds and conflicted by the holy leadership s reluctance to respond As he stumbles towards his celibate life Father Peter Malone finally searches for answers from his holy brothers but only receives an empty chalice of silence With the absence of answers and in a void of protection for the most vulnerable the demented priests prey on the weakest lambs The wake of destruction perpetrated upon the fragile flock is too much for one broken boy to handle That innocent soul is finally released from the pain by the ultimate sacrifice and becomes a catalyst for change within the church and in the life of Father Peter Malone

The "Summa Theologica" of St. Thomas Aquinas Saint Thomas (Aquinas),1914 **Summa Theologica, Volume 4 (Part III, First Section)** St Thomas Aquinas,2013-01-01 The Summa Theologica is the best known work of Italian philosopher

scholar and Dominican friar SAINT THOMAS AQUINAS 1225-1274 widely considered the Catholic Church's greatest theologian. Famously consulted immediately after the Bible on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each using Biblical verses. Theologians and philosophers bolster his arguments. In Volume IV, Aquinas addresses chastity and lust, sobriety and humility, pride, prophecy, and Rapture, the passion of Christ, Christ's resurrection, the sacraments, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy, religious historians, and serious students of Catholic thought.

The Broken Balalaika
Margaret Brown, 2025-02-21
Louisa Bennett, a ship's photographer, meets the handsome Ukrainian electrician and balalaika player Gennadi Potenko at a Russian crew party aboard the M/S *Ukraina* in 1981. These are Cold War times, and any close contact between Eastern and Western crew members is strictly forbidden. After an evening of music and vodka, Louisa wakes the next morning with a massive hangover and no memory of how she returned to her cabin. But a pink rose by her bed gives her a clue. Ignoring the advice of her colleague Dermot to adhere to Soviet regulations, Louisa embarks on a series of tempting encounters ashore with Gennadi, leading to an illicit secret love affair. Inevitably, they are discovered and brutally separated with severe consequences. Louisa fears Gennadi will face further punishment upon his return to the Soviet Union. With the help of Dermot and his fiancée Katya, she decides to fly to Odessa and search for Gennadi. Perhaps she can save him and uncover the truth about his secret past.

The Taming of the Demons
Jacob P. Dalton, 2011-06-28
The Taming of the Demons examines mythic and ritual themes of violence, demon taming, and blood sacrifice in Tibetan Buddhism. Taking as its starting point Tibet's so-called age of fragmentation (842 to 986 C.E.), the book draws on previously unstudied manuscripts discovered in the library cave near Dunhuang on the old Silk Road. These ancient documents, it argues, demonstrate how this purportedly inactive period in Tibetan history was in fact crucial to the Tibetan assimilation of Buddhism and particularly to the spread of violent themes from tantric Buddhism into Tibet at the local and the popular levels. Having shed light on this dark age of Tibetan history, the second half of the book turns to how, from the late tenth century onward, the period came to play a vital symbolic role in Tibet as a violent historical other against which the Tibetan Buddhist tradition defined itself.
