## **The Woman Doctor:**

**The Woman Doctor and Her Future** Louisa Martindale, 1922 *The Woman Doctor and Her Future* *A Pioneer Woman Doctor's Life* Dr. Bethenia Angelina Owens-Adair, 2014-11-20 A friend once said to her If I wished to increase your height two and a half inches I would attempt to press you down and you would grow upward from sheer resentment Divorced at eighteen from an abusive husband in 1859 scandalous at the time and with a little baby to care for Bethenia Angelina Owens was determined to make her way in the world Her family begged her to let them support her but she wanted to earn her own livelihood Taking in laundry teaching school and making cheese were among the tasks she set herself to She eventually built a thriving business as a milliner that allowed her to send her son to college and to fulfill her own dream of becoming a doctor Against all odds and a tidal wave of objections by friends family and male doctors she prevailed Despite the sentiment of the times that it was disgraceful for a woman to practice medicine she enrolled in 1878 at the University of Michigan By 1884 she was making 7 000 per year an astronomical sum as a physician For all of her life she was a strong and vocal advocate of women s rights As a doctor she gave the shocking advice Nothing will preserve woman s grace and her symmetrical form so much as vigorous and systematic exercise and horseback riding stands at the head of the list providing she has a foot in each stirrup instead of having the right limb twisted around a horn She also provides accounts of other pioneer women of her acquaintance For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above Buy it today [A Woman Doctor's Civil War](#) Gerald Schwartz, 2022-04-08 A physician a Northerner a teacher a school administrator a suffragist and an abolitionist Esther Hill Hawks was the antithesis of Southern womanhood And those very differences destined her to chronicle the era in which she played such a strange part While most women of the 1860s stayed at home tending husband and house Esther Hill Hawks went south to minister to black Union troops and newly freed slaves as both a teacher and a doctor She kept a diary and described the South she saw conquered but still proud Her pen honed to a fine point by her abolitionist views missed nothing as she traveled through a hungry and ailing land In the well known Diary from Dixie Mary Boykin Chestnut depicted her native Southland as one of cavaliers with their ladies statesmen and politicians honor and glory But Hawks painted a much different picture And unlike Chestnut s characters hers were liberated slaves and their hungry children swaggering carpetbaggers occupation troops far from home and zealous missionaries Revealed in the pages of this diary is a woman of vast energy intelligence and fortitude who transformed her idealism into action **The Woman Doctor's Guide to Overcoming Cystitis** Kathryn Schrottenboer Cox, Kathryn Schrottenboer, K Schrottenboer, 1989-06-06 Next to the common cold cystitis is the leading cause of absenteeism among working women Now an experienced woman obstetrician gynecologist explains in sympathetic and easy to understand language the causes symptoms and treatments of cystitis

**The Woman's World ...** Oscar Wilde, 1889 [The Doctor in the Victorian Novel](#) Dr Tabitha Sparks, 2013-04-28 With the

character of the doctor as her subject Tabitha Sparks follows the decline of the marriage plot in the Victorian novel As Victorians came to terms with the scientific revolution in medicine of the mid to late nineteenth century the novel's progressive distance from the conventions of the marriage plot can be indexed through a rising identification of the doctor with scientific empiricism A narrative's stance towards scientific reason Sparks argues is revealed by the fictional doctor's relationship to the marriage plot Thus novels that feature romantic doctors almost invariably deny the authority of empiricism as is the case in George MacDonald's *Adela Cathcart* In contrast works such as Wilkie Collins's *Heart and Science* which highlight clinically minded or even sinister doctors uphold the determining logic of science and in turn threaten the novel's romantic plot By focusing on the figure of the doctor rather than on a scientific theme or medical field Sparks emulates the Victorian novel's personalization of tropes and belief systems using the realism associated with the doctor to chart the sustainability of the Victorian novel's central imaginative structure the marriage plot As the doctors Sparks examines increasingly stand in for the encroachment of empirical knowledge on a morally formulated artistic genre their alienation from the marriage plot and its interrelated decline succinctly herald the end of the Victorian era and the beginning of Modernism

[The Woman Citizen](#) ,1918      **The Doctor's Bride** Patty Smith Hall,2013-11-01 Dr Joshua McClain is headed west First stop Hillsdale Michigan to break the marriage contract his late mother arranged between him and Katie Clark Years ago Katie left him behind in Charleston But after a train crash he comes face to face with Dr Kathleen Clark his childhood friend all grown up When Josh shows up in town claiming they're betrothed Katie refuses to consider an arranged marriage She'll marry for love or not at all Besides he's headed for Kansas Territory her practice is here in Hillsdale So why are they both finding it hard to break their betrothal and say goodbye

[The Woman Doctor](#) Ursula Bloom,      **The Woman Doctor and Her Future (Classic Reprint)** Louisa Martindale,2015-07-06 Excerpt from *The Woman Doctor and Her Future* It is I believe some years since any history of the work of Women Doctors has been offered to the public In sending this little volume out into the world I have been actuated by a desire to review frankly and if possible justly the work of the Woman Doctor her position in society her value to medical science and above all her value to mankind Her inherent qualities of intuition and endurance her strength of mind when it comes to a conflict between the choice of present and evanescent happiness and the ultimate practical good of the race her unexpected unemotionalism in those important crises in which definite and decided action has to be taken her steadfast and almost dogged determination in face of unjust opposition these qualities one learns to appreciate and value marked as they have been in all the more distinguished and eminent women of the profession That she possesses a place in the medical world which only she can fill I think one cannot doubt About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Lady's Home Magazine of Literature, Art, and Fashion**, 1857 *A Woman's View* Jeanine Basinger, 1995-06-23 In this highly readable and entertaining book Jeanine Basinger shows how the woman's film of the 30s 40s and 50s sent a potent mixed message to millions of female moviegoers At the same time that such films exhorted women to stick to their proper realm of men marriage and motherhood they portrayed usually with relish strong women playing out liberating fantasies of power romance sexuality luxury even wickedness Basinger examines dozens of films whether melodrama screwball comedy musical film noir western or biopic to make a persuasive case that the woman's film was a rich complicated and subversive genre that recognized and addressed if covertly the problems of women Amazon.com viewed 7/31/2020

**The Woman Doctor and Her Future** Louisa Martindale, 2016-05-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

[The Doctor's Red Lamp](#) Various, 2021-05-19 *The Doctor's Red Lamp* is a compelling anthology that encapsulates the essence of early 20th century medical practice through a series of poignant narratives and reflections Composed by various authors this collection employs a rich blend of realism and episodic storytelling illuminating the lives of doctors and patients alike amidst the backdrop of evolving medical ethics and societal expectations The intricate prose not only brings to life the struggles and triumphs within the healing profession but also prompts a critical exploration of the human condition emphasizing themes of compassion sacrifice and duty that resonate profoundly in both historical and contemporary contexts The authors contributing to this anthology hail from diverse backgrounds including practicing physicians medical writers and literary figures each bringing their unique perspectives to the narratives Their lived experiences and professional insights have shaped their vivid portrayals of medical challenges ethical dilemmas and the often fraught doctor patient relationship This rich tapestry of voices reflects the crucial intersection of literature and medicine inviting readers into a world where health and humanity intertwine Readers searching for an intricate exploration of the medical field framed within the authentic human experience will find *The Doctor's Red*

Lamp a compelling read It serves as both an educational resource and a literary journey appealing to those interested in the history of medicine narrative nonfiction and the complex interplay of narrative and healing This anthology captures the enduring spirit of medical discourse and its impact on society *Autonomy and Pregnancy* Sam Halliday,2016-05-05

Technology has come to dominate the modern experience of pregnancy and childbirth but instead of empowering pregnant women technology has been used to identify the foetus as a second patient characterised as a distinct entity with its own needs and interests Often foetal and the woman s interests will be aligned though in legal and medical discourses the two patients are frequently framed as antagonists with conflicting interests This book focuses upon the permissibility of encroachment on the pregnant woman s autonomy in the interests of the foetus Drawing on the law in England Wales the United States of America and Germany Samantha Halliday focuses on the tension between a pregnant woman s autonomy and medical actions taken to protect the foetus addressing circumstances in which courts have declared medical treatment lawful in the face of the pregnant woman s refusal of consent As a work which calls into question the understanding of autonomy in prenatal medical care this book will be of great use and interest to students researchers and practitioners in medical law comparative law bioethics and human rights *The Woman's Temperance Movement ... a Concise History of the Woman's War on Alcohol, Etc* William C. STEEL,1874 **Dr. Chase's Home Adviser and Every Day Reference Book** Alvin Wood Chase,1894 **The Doctor's Dilemma** Bernard Shaw,1911 *The Church Missionary Intelligencer* ,1906 *Dawn* Percival Wilde,1915
