Empath Healing
Marianne Gracie, 2017-02-27. A COMPLETE EMOTIONAL HEALING GUIDE FOR EMPATHS AND HIGHLY SENSITIVE PEOPLE. Do you often feel drained when spending time in public or with others? Do you somehow feel different from other people? Or do you get overly anxious for no apparent reason? These are just some of the symptoms that Empaths and Highly Sensitive People are prone to feeling everyday of their lives. Living life as an Empath in modern society can be a real struggle for sensitive people. The constant bombardment of external stimulus and energy often leaves them feeling worn out. For these reasons, they can often become outcasts and loners as the over-stimulation becomes too much. Discovering you're an Empath is usually followed by an "A ha" moment where everything finally seems to click into place and begins to make sense. This is the first step to harnessing the true gift which has been given to you. Thankfully, more and more people are beginning to recognize these traits, therefore more information is becoming available to help people like us to function better. Empaths have often led challenging lives up to this point, and any wounds must be healed first before they can move forward. This book therefore focuses on the emotional healing which Empaths require to help them build up the inner strength to go out into the world as their best selves. The rest of the book offers survival guide tips about how to best recharge and protect yourself through setting healthy emotional and energetic boundaries to stop others from infiltrating your space. All of the advice is given in easy-to-follow steps for both newly found Empaths and those who already know about their inherent trait. The powerful message in this book will help you realize that this attribute is not something negative but is in fact a magical gift. Pick up a copy today and start to reclaim your birthright.

The Publishers Weekly, 1899. **The Medical Library Association Guide to Cancer Information**. Ruti Malis Volk, 2007. According to the American Cancer Society, over 10 million Americans have a history of cancer, and the over 100 distinct forms of cancer affect those individuals and their families in very different ways. When patrons come to your library with cancer-related questions, will you be prepared with the best resources for them to consult? Now the Medical Library Association and Ruti Volk, Manager of the Patient Education Resource

Center at the University of Michigan's Comprehensive Cancer Center have assembled an authoritative guide to the best cancer information resources for all levels of readers. Chapters are devoted to both specific types of cancer: breast, brain, colon, liver, lung, lymphoma, melanoma, childhood cancers, and more, and cancer-related topics: chemotherapy, radiation, herbal supplements, nutrition, fertility, talking with children about cancer, etc. and contain a general introduction to the topic with an overview of the information needs of patients and caregivers. For each type of cancer, the author provides an invaluable annotated list of resources including pamphlets, brochures, consumer health titles, book chapters, reference sources, videos, CD-ROMs, Web sites, and more that incorporates both introductory works and more advanced treatments. Additional resources such as cancer patient organizations and online listservs are also featured. Whether utilizing as an aid in cancer-related searches or as a tool for building a consumer health collection, this unique guide will help any public, academic, or medical library better meet the health information needs of their users.
