**William DYER (Minister of Cholsbury,
Bucks.)**

To Love Is Christ:

The True Christian's Love of the Unseen Christ Thomas Vincent, 2019-04-04 Faith without love to Christ is a dead faith So states Thomas Vincent in *The True Christian's Love of the Unseen Christ* a book whose sole stated purpose is to help the reader obtain love for Christ in truth and strength Christian if your love for Christ has gone cold if you have lost your passion for serving Christ this book will be a spark for rekindling that love again and a bellows for fanning it into flame Originally published in 1677 this classic treatise has been meticulously edited to benefit a new generation of Christian readers Archaic language has been gently modernized and helpful footnotes have been added to aid the reader This edition includes a biographical preface and review questions designed to facilitate group discussion or personal reflection

Samuel Rutherford Samuel Rutherford, 1891 *To Love Is Christ* David Teems, 2009-01-13 Each page of this new devotional by David Teems is charged with originality beauty and the richness of our common language as well as necessary and timely spiritual content Each day illuminates one subject Love Each entry puts Christ at the center of that love whether it's love for your husband or wife for you neighbor for the stranger for God It's all centered in Him and in 365 lovely treatments The language is lyrical speaking the way love speaks sounding the way devotion is supposed to sound Each day also closes with a benediction such as May Christ be the template by which love shapes itself in you It's about true Christianity about worship about devotion about ourselves and much much more An incredibly generous book you could say it's the little book with the big heart And finally as it says in the Prologue offering us perhaps the clearest description of itself This is a book of love It only thinks it's a devotional The Whole Works of Robert Leighton, Archbishop of Glasgow Robert Leighton, John Norman Pearson, 1859 **The Complete Works of W.E.
