Toasting Cheers:

Frasier Joseph J. Darowski, Kate Darowski, 2017-08-07 After America's most pompous barhound left the Cheers gang in Boston he returned to Seattle and found himself surrounded by an equally colorful cast of friends and family alike For eleven seasons radio psychiatrist Frasier Crane contended with his blue collar ex cop father Martin English caretaker Daphne coworker Roz and his younger brother Niles Looking at the world through Frasier's aristocratic witty lens the show explored themes of love loss friendship and what it might mean to live a full life Both fans and critics loved Frasier and the show's 37 primetime Emmy wins are the most ever for a comedy series In *Frasier: A Cultural History* Joseph J. Darowski and Kate Darowski offer an engaging analysis of the long running award winning show offering insights into both the onscreen stories as well as the efforts behind the scenes to shape this modern classic This volume examines the series as a whole but also focuses on the show's key characters including Eddie the canine Close looks at set design class issues and gender roles are also provided along with opinionated reviews of all 264 episodes highlighting the peaks and dips in quality across more than a decade of television Despite the show's focus on an elitist intellectual and his equally snooty brother Frasier often embraced farce on a level previously unseen in American sitcoms a mix of comedic elements that endeared it to viewers around the world *Frasier: A Cultural History* will appeal to the show's many fans as well as to scholar of media television and popular culture

Making a Short Speech or Toast Jackie Arnold, 2016-09-01 Most people are called upon to make a speech or toast at some point in their lives This book will help the inexperienced speaker to stand up with confidence and deliver a really effective speech or toast that is appropriate for the occasion It also contains a variety of toasts and quotes to help those with more experience in public speaking There are guidelines on how to prepare and deliver a mini speech including tips on introducing humour and how to avoid embarrassing your audience with inappropriate material A special section includes interesting quotes and toasts to insert into a wedding speech whether it's by the best man or woman bridegroom or father of the bride A workbook section helps the reader with ideas for appropriate beginnings and endings to speeches There is even an A-Z of sample toasts for all occasions including anniversaries achievements and business occasions and for a range of subjects such as love life and friendship

The 25 Sitcoms That Changed Television Aaron Barlow, Laura Westengard, 2017-12-01 This book spotlights the 25 most important sitcoms to ever air on American television shows that made generations laugh challenged our ideas regarding gender family race marital roles and sexual identity and now serve as time capsules of U.S. history What was the role of *The Jeffersons* in changing views regarding race and equality in America in the 1970s How did *The Golden Girls* affect how society views older people Was *The Office* an accurate if exaggerated depiction of the idiosyncrasies of being employees in a modern workplace How did the writers of *The Simpsons* make it acceptable to air political satire through the vehicle of an animated cartoon ostensibly for kids Readers of this book will see how television situation comedies have consistently held up a mirror for American audiences to see themselves and

the reflections have not always been positive or purely comedic The introduction discusses the history of sitcoms in America identifying their origins in radio shows and explaining how sitcom programming evolved to influence the social and cultural norms of our society The shows are addressed chronologically in sections delineated by decade Each entry presents background information on the show including the dates it aired key cast members and the network explains why the show represents a notable turning point in American television and provides an analysis of each sitcom that considers how the content was received by the American public and the lasting effects on the family unit gender roles culture for young adults and minority and LGBT rights The book also draws connections between important sitcoms and other shows that were influenced by or strikingly similar to these trendsetting programs Lastly a section of selections for further reading points readers to additional resources
