Toil And Peaceful Life:

Once Upon a Wedding Nancy Millar,2000 Find out about the west s first society weddings mail order brides honeymoon trips from hell no honeymoons at all wedding dresses from the catalogue double weddings wartime weddings picture brides and grooms happy ever after endings and perfectly horrible endings It s a history book that doesn t sound like a history book A pleasurable way of learning more about Canada between 1860 and 1945 **Svoboda** Bill Stenson,2007 *Toil and Peaceful Life* is the axiom that lies at the heart of Doukobor spiritual personal and community values These values have always been and continue to be integral to the people who belong to this historically rich and vibrant community During particular periods of their history certain groups of Doukobors seemed to have carved a path that allowed them to embody and live these ideals in their daily lives and interactions However as the history of the Doukobor people demonstrates putting this into practice was more difficult than envisioned and paradoxically has generated a great deal of conflict within the various spheres of the community itself most certainly it has created conflicts with those from outside their self contained community It is at this juncture of conflict in the decades of the 1950s 1960s and 1970s that the name Doukobor was to etch itself into the Canadian consciousness It is during this time that Stenson sets his novel s action against the backdrop of the Kootenay Region in and around Nelson BC To say *Svoboda* is a Doukobor novel is misleading for it is much more than that While Doukobor culture plays a central role in creating conflict from the first few pages right to the end it is also a novel of coming of age a novel of accepting fate and a great entertaining story **Cloud-capped Towers** Alex MacDonald,2007 **Peace Movement Directory** James R. Bennett,2001 The year 2000 has been proclaimed by the United Nations as the Year of Peace and the ten years to follow the Decade of Peace The UN has issued a Manifesto for a Culture of Peace outlining the goals of the envisioned future The world may have taken on a hopeful attitude for peace in the new millennium and this work serves as a reference book to organizations programs museums and memorials located in North America that are dedicated to peace The entries are numbered and each one includes the following where applicable name of organization college museum memorial or journal year founded or dedicated address phone number e mail address and website address and text that provides historical information *Suggestive Programs for Special Day Exercises* ,1911 *Saskatchewan* W. A. Waiser,Bill Waiser,2005 In *Saskatchewan A New History* award winning author and historian Bill Waiser presents a fresh entertaining account and interpretation of Saskatchewan s unique and captivating history Writing with clarity candor and compassion Waiser describes in detail his province and its people through the stimulating often tumultuous years since joining Confederation in 1905 A gift to the province from the University of Saskatchewan written in commemoration of the province s centennial celebrations in 2005 *Saskatchewan A New History* tells above all the engaging stories of the people of Saskatchewan Their wisdom foresight bravery toil and eternal optimism gave birth to one hundred years of extraordinary history Waiser leaves no stone unturned as he records the events and stories of the people who experienced them from the

province's earliest days when anything seemed possible through the years of the Great Depression when the prospect of greatness seemed all but lost to the second half of the century when an intense at times bitter debate raged over how best to govern Saskatchewan Relying on the most up to date historical research available he offers new perspectives on traditional views and tackles previously neglected often difficult concepts and events What is most striking about these images aside from the richness of their color and the skillful use of light are the happy smiling faces He could see things like no one else with a camera He had an uncanny skill to set the scene He caught people in everyday life and everyday activities and people wanted to have their picture taken by him Generously illustrated with carefully selected archival images and two sixteen page color inserts of commissioned photographs by Saskatoon's John Perret Saskatchewan A New History also pays a stunning visual tribute to the historical urban and natural splendour of Saskatchewan and its people Includes two 16 page color photo inserts by John Perret 205 Black and White photographs and illustrations 20 reference tables 15 maps and more Saskatchewan Book Award for Non Fiction nominee 2005 Saskatchewan Book Award for Scholarly Writing nominee 2005
