Tokyo Bound:

Japanese, 1988 **Asian American Drama** Brian Nelson, 1997 Applause Books Includes Amy Hill Tokyo Bound David Henry Hwang Bondage Velina Hasu Houston As Sometimes in a Dead Man's Face Lane Nishikawa and Victor Talmadge The Gate of Heaven Dwight Okita The Rainy Season *going off the beach* Robert Garlick, 2022-06-01 Just two months after my 20th birthday I was drafted into the US Army Before my next birthday I arrived in the former Republic of South Vietnam it was February 1969 I have been asked countless times over the last five decades What was Vietnam like For decades I could never give much of an answer If one is to give an answer one must first confront their past Going Off The Beach is the account of a conscripted boots on the ground soldier and his experiences in the US Army during the Vietnam War These experiences included twelve months in Vietnam serving in Binh Dinh Province The book explores the contrasts between a peaceful tropical beach overlooking the vast Pacific Ocean with the monotony drudgery and dangers of being a foot soldier in an unpopular war It describes the endless struggle for survival while constantly dealing with the inner conflicts of the US Military fighting a war they were not even trying to win And finding love in the midst of it all What was Vietnam like It's the story of what happened to 20 year old me It's my story of love war and courage Book Review going off the beach is a compelling factual account of a conscripted Army soldier's trip through Hell and back during the Vietnam War For anyone who wondered what serving in South Vietnam was like this book answers that question from the perspective of an unwilling participant It contrasts the everyday monotony and drudgery of war with its ever present dangers The author's descriptive and straightforward writing style holds the reader's full attention from first sentence to the final word Joseph J Bains Bread Crust Productions Author Scientist Veteran *Trains*, 1962 **Boeing Magazine**, 1945 **H.O. Pub** United States. Hydrographic Office, 1920 **Arthur Rickerby's New York City** Frank Ceresi, Carol McMains, John Rogers, 2006 Arthur Rickerby's illustrious career was spent capturing scores of the nation's significant historical events on film from the Japanese signing of the Articles of Surrender aboard the USS Missouri in 1945 ending World War II to famous sports images such as Don Larsen throwing the final pitch of baseball's only World Series perfect game for the New York Yankees in 1956 Today few people know of Arthur Rickerby the New York born and bred photographer Arthur Rickerby's New York City not only reintroduces the world class photojournalist and pays tribute to his outstanding work but it also features rare and previously unseen New York images that perfectly capture the enduring Rickerby touch *The Spirit of Missions*, 1894 Includes the proceedings of the annual meeting of the Society **All-story Magazine**, 1907 [Asian American Playwrights](#) Miles Liu, 2002-05-30 In the late nineteenth century Asian American drama made its debut with the spotlight firmly on the lives and struggles of Asians in North America rather than on the cultures and traditions of the Asian homeland Today Asian American playwrights continue to challenge the limitations of established theatrical conventions and direct popular attention toward issues and experiences that might otherwise be ignored or marginalized While Asian American literature came into full bloom

in the last 25 years Asian American drama has yet to receive the kind of critical attention it warrants This reference book serves as a versatile vehicle for exploring the field of Asian American drama from its recorded conception to its present stage Included are alphabetically arranged entries for 52 Asian American dramatists of origins from India Pakistan Vietnam the Philippines Japan Korea and China Each entry includes relevant biographical information that contextualizes the works of a playwright an interpretive description of selected plays that spotlights recurring themes and plots a summary of the playwright s critical reception and a bibliography of primary and secondary works The entries are written by expert contributors and reflect the ethnic diversity of the Asian American community The volume closes with a selected general bibliography which includes anthologies scholarly studies and periodicals

Transnational Blackness M. Marable, 2008-09-29 Black intellectuals in the US have long thought of racism as a global phenomenon This book presents for the first time a full overview of the history critical analysis and theoretical perspectives of key black scholars and activists on the transnational dynamics of modern race and racism throughout the world
