## **Tom Finder:**

Tom Finder Martine Leavitt, 2003 Fifteen year old Tom is on the run a kid on the streets out on his own living by his wits Tom also gets involved in a quest to find another lost teenager whose First Nations father is desperate for news of his son In the process Tom learns to survive and begins to get a sense of his own inner strengths Tom knows that somewhere in his former life Mozart s *The Magic Flute* has been crucially important to him Though he doesn t know when or how when he finally gets to the opera s performance the past explodes his consciousness Who now will he be The Tom of the past Or the new Tom the person he has built out of his street experiences and emerging convictions *Home Words* Mavis

Reimer, 2009-08-01 The essays in *Home Words* explore the complexity of the idea of home through various theoretical lenses and groupings of texts One focus of this collection is the relation between the discourses of nation which often represent the nation as home and the discourses of home in children s literature which variously picture home as a dwelling family town or region psychological comfort and a place to start from and return to These essays consider the myriad ways in which discourses of home underwrite both children s and national literatures *Home Words* reconfigures the field of Canadian children s literature as it is usually represented by setting the study of English and French language texts side by side and by paying sustained attention to the diversity of work by Canadian writers for children including both Aboriginal peoples and racialized Canadians It builds on the literary histories bibliographical essays and biographical criticism that have dominated the scholarship to date and sets out to determine and establish new directions for the study of Canadian children s literature

**Ideology in Postcolonial Texts and Contexts**, 2020-11-23 Ideology in Postcolonial Texts and Contexts reflects that critiques of ideological formations occur within intersecting social political and cultural configurations where each position is in itself ideological and subject to asymmetrical power relations Postcolonialism has become an object of critique as ideology but postcolonial studies highly diversified engagement with ideology remains a strong focus that exceeds Ideologiekritik Fourteen contributors from North America Africa and Europe focus I on the complex relation between postcolonialism postcolonial theory and conceptualizations of ideology II on ideological formations that manifest themselves in very specific postcolonial contexts highlighting the potential continuities between colonial and postcolonial ideology and III on further expanding and complicating the nexus of postcolonial ideology from veiling as both ideological practice and individual resistance to home as ideological construct from palimpsestic readings of colonial photography to aesthetics as ideology

**Word Finder** Hubert Vansant Coryell, Henry Wyman Holmes, 1921 **Shadow Divers** Robert Kurson, 2004-06-29 In the tradition of Jon Krakauer s *Into Thin Air* and Sebastian Junger s *The Perfect Storm* comes a true

tale of riveting adventure in which two weekend scuba divers risk everything to solve a great historical mystery and make history themselves For John Chatterton and Richie Kohler deep wreck diving was more than a sport Testing themselves against treacherous currents braving depths that induced hallucinatory effects navigating through wreckage as perilous as a minefield they pushed themselves to their limits and beyond brushing against death more than once in the rusting hulks of sunken ships But in the fall of 1991 not even these courageous divers were prepared for what they found 230 feet below the surface in the frigid Atlantic waters sixty miles off the coast of New Jersey a World War II German U boat its ruined interior a macabre wasteland of twisted metal tangled wires and human bones all buried under decades of accumulated sediment No identifying marks were visible on the submarine or the few artifacts brought to the surface No historian expert or government had a clue as to which U boat the men had found In fact the official records all agreed that there simply could not be a sunken U boat and crew at that location Over the next six years an elite team of divers embarked on a quest to solve the mystery Some of them would not live to see its end Chatterton and Kohler at first bitter rivals would be drawn into a friendship that deepened to an almost mystical sense of brotherhood with each other and with the drowned U boat sailors former enemies of their country As the men s marriages frayed under the pressure of a shared obsession their dives grew more daring and each realized that he was hunting more than the identities of a lost U boat and its nameless crew Author Robert Kurson s account of this quest is at once thrilling and emotionally complex and it is written with a vivid sense of what divers actually experience when they meet the dangers of the ocean s underworld The story of Shadow Divers often seems too amazing to be true but it all happened two hundred thirty feet down in the deep blue sea **BONUS** This edition includes an excerpt from Robert Kurson s *Pirate Hunters* Charles Dickens Gerhard von der Lippe Gran,1925 **Film & Video**

**Finder** ,1989 *The Treasure-finder* William John Gordon,1888 *Crossword Puzzle Name Finder* Terry G.
