to control are growing more sinister more powerful It s just a matter of time before they turn on him and on me Even escape doesn t mean true freedom though when we re still on the run from Eidolon s unstoppable armies And when we discover there s a traitor among us I have no choice I must become the queen I was never meant to be Because as one evil hunts me the other loves me more than himself And my fate lies with both The Dominions series is best enjoyed in order Reading Order Book 1 The Liar s Crown Book 2 The Stolen Throne Book 3 The Shadows Rule All **Dust on the Throne** Douglas Ober,2023-03-28 Received wisdom has it that Buddhism disappeared from India the land of its birth between the thirteenth and fourteenth centuries long forgotten until British colonial scholars re discovered it in the early 1800s Its full fledged revival so the story goes only occurred in 1956 when the Indian civil rights pioneer Dr B R Ambedkar converted to Buddhism along with half a million of his Dalit formerly untouchable followers This however is only part of the story Dust on the Throne reframes discussions about the place of Buddhism in the subcontinent from the early nineteenth century onwards uncovering the integral yet unacknowledged role that Indians played in the making of modern global Buddhism in the century prior to Ambedkar s conversion and the numerous ways that Buddhism gave powerful shape to modern Indian history Through an extensive examination of disparate materials held at archives and temples across South Asia Douglas Ober explores Buddhist religious dynamics in an age of expanding colonial empires intra Asian connectivity and the histories of Buddhism produced by nineteenth and twentieth century Indian thinkers While Buddhism in contemporary India is often disparaged as being little more than tattered manuscripts and crumbling ruins this book opens new avenues for understanding its substantial socio political impact and intellectual legacy **“The” Temple Or the Tomb** Sir Charles Warren,1880 **Jesus' Tomb in India** Paul Constantine Pappas,1991 This investigative work explores the Eastern legend that upon crucifixion Jesus did not in fact die on the cross but was taken secretly to India where he lived to a ripe old age and eventually died Two other important Eastern legends are also examined the shroud of Turin and the holy miracle light of Jerusalem **Tombs of the Gods** Kyle Weyburne,2023-07-06 We ve completely misunderstood the purpose of the pyramids They weren t built primarily as tombs instead they were intended to be used by Pharaoh while he was still alive In very ancient times the king was only allowed to rule for 30 years then he d be ritually killed They didn t want an old man in charge One day a Pharaoh was nearing his 30th year and decided he didn t want to die so came up with a set of rituals that would enable him to live on It was called Heb Sed This sacred ceremony was more than just a life saver though it also enabled the king to merge with the Sun god After death Egyptian kings were believed to board the Sun boat where they would shine down on their subjects for all eternity However many things could go awry in this process particularly under the eyes of a successor What if they bungled the funeral What if they were a rival Heb Sed enabled all this to occur while the king was still alive so that he could preside over proceedings ensuring its success And the bonus of being able to do this while alive is that some part of the Pharaoh would board the Sun boat and in doing so the king would become a divinity the Pharaoh became a living God king

But all this could only happen if they built a strange pyramid shaped structure to enable this potent magic to take place So they built pyramids And they got bigger and more magnificent with the passing of each King This madness came to a head with Pharaoh Snefru who built two massive pyramids the two biggest man made structures in the World How do you outdo this While his son Khufu only managed to build one pyramid it was the most impressive structure ever built by humans Still is in my book And yes it might have functioned as his tomb although Strabo and Diodorus swear black and blue that it wasn't however it was entirely geared to the Sun god as you will find out it was entirely geared for the King's Heb Sed This book is the sequel to *Architecture of Ra* but can be read independently of it It also delves into the myths of Egypt as well as those of other cultures Jason the Argonauts Icarus Jonah Thor Hercules I don't like calling these stories myths because they actually belonged to living religions and to make that grade the stories had to include information seminal to that culture And if the texts contain this knowledge then so did their religious buildings The knowledge encoded in Egyptian legends is also encoded in their pyramids
