Berlatsky, 2011-09-13 British comics writer Alan Moore b 1953 has a reputation for equal parts brilliance and eccentricity Living hermit like in the same Midlands town for his entire life he supposedly refuses contact with the outside world while creating his strange dense comics fiction and performance art While Moore did declare himself a wizard on his fortieth birthday and claims to have communed with extradimensional beings reticence and seclusion have never been among his eccentricities On the contrary for long stretches of his career Moore seemed to be willing to chat with all comers fanzines industry magazines other artists newspapers magazines and personal websites Well over one hundred interviews in the past thirty years serve as testimony to Moore's willingness to be engaged in productive conversation Alan Moore Conversations includes ten substantial interviews beginning with Moore's first published conversation conducted by V for Vendetta cocreator David Lloyd in 1981 The remainder cover nearly all of his major works including Watchmen V for Vendetta Swamp Thing Marvelman The League of Extraordinary Gentlemen Promethea From Hell Lost Girls and the unfinished Big Numbers While Moore's personal life and fraught business relations

are discussed occasionally the interviews chosen are principally devoted to Moore's creative practices and techniques along with his shifting social, political, and philosophical beliefs. As such, Alan Moore Conversations should add to any reader's enjoyment and understanding of Moore's work.

Don't miss the latest Natchez Burning novel SOUTHERN MAN. From 1 New York Times bestselling author Greg Iles comes the second novel in his Natchez Burning trilogy which also includes Natchez Burning and the upcoming Mississippi Blood, an epic trilogy of blood, race, family, and justice featuring Southern lawyer Penn Cage. Former prosecutor Penn Cage and his fiancée reporter and publisher Caitlin Masters have barely escaped with their lives after being attacked by wealthy businessman Brody Royal and his Double Eagles, a KKK sect with ties to some of Mississippi's most powerful men. But the real danger has only begun as FBI Special Agent John Kaiser warns Penn that Brody wasn't the true leader of the Double Eagles. The puppeteer who actually controls the terrorist group is a man far more fearsome, the chief of the state police's Criminal Investigations Bureau Forrest Knox. The only way Penn can save his father Dr. Tom Cage, who is fleeing a murder charge as well as corrupt cops bent on killing him, is either to make a devil's bargain with Knox or destroy him. While Penn desperately pursues both options, Caitlin uncovers the real story behind a series of unsolved civil rights murders that may hold the key to the Double Eagles' downfall. The trail leads her deep into the past, into the black backwaters of the Mississippi River, to a secret killing ground used by slave owners and the Klan for over two hundred years, a place of terrifying evil known only as the Bone Tree. *The Bone Tree* is an explosive, action-packed thriller full of twisting intrigue and deadly secrets, a tale that explores the conflicts and casualties that result when the darkest truths of American history come to light. It puts us inside the skin of a noble man who has always fought for justice, now finally pushed beyond his limits. Just how far will Penn Cage, the hero we thought we knew, go to protect those he loves?
