## **Tony Curtis An Autobiography:**

Tony Curtis Tony Curtis, Barry Paris, 1993      *The Defiant One* Aubrey Malone, 2013-10-04 This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010 Many of these are little known and provide insights into his complex relationship with fame family and females the three obsessions of his life The book also documents his many struggles with substance abuse his disenchantment with Hollywood when it failed to take him seriously the violent deaths of his two brothers the failure of four of his marriages a heart attack the death of a son from a drug overdose and most importantly the manner in which his resilient spirit saw him through these challenges and tragedies It is a revisionist biography which adds significantly to the received wisdom on his life and times not only through personal interviews but also revelations from two recent books not yet available in English one written by his daughter Allegra and the other by his ex wife Christine Kaufmann      *American Prince* Tony Curtis, Peter Golenbock, 2009 He has appeared in over a hundred films Elvis copied his looks The Beatles put him on the cover of Sgt Pepper Tony Curtis is without question a Hollywood legend and part of its Golden Age In *American Prince* he tells the whole story from his hard knock childhood growing up in the Bronx to his wild days as a Hollywood playboy his destructive drug addiction and his life now as an artist in his eighties He talks frankly about the people he has known during his long and illustrious career from the studio owners and directors to his famous friends such as Jack Lemmon Cary Grant and James Dean and the women in his life including Janet Leigh and Natalie Wood Forthright and enthralling and sparing no detail and no ego *American Prince* is the true record of a life lived to the full      **American Prince** Tony Curtis, Peter Golenbock, 2008-10-14 All my life I had one dream and that was to be in the movies He was the Golden Boy of the Golden Age A prince of the silver screen Dashing and debonair Tony Curtis arrived on the scene in a blaze of bright lights and celluloid His good looks smooth charm and natural talent earned him fame women and adulation Elvis copied his look and the Beatles put him on their Sgt Pepper album cover But the Hollywood life of his dreams brought both invincible highs and debilitating lows Now in his captivating no holds barred autobiography Tony Curtis shares the agony and ecstasy of a private life in the public eye No simple tell all *American Prince* chronicles Hollywood during its heyday Curtis revisits his immense body of work including the unforgettable classics *Houdini* *Spartacus* and *Some Like It Hot* and regales readers with stories of his associations with Frank Sinatra Laurence Olivier director Billy Wilder and film industry heavyweight Lew Wasserman as well as paramours Natalie Wood and Marilyn Monroe among others As forthright as he is enthralling Tony Curtis offers intimate glimpses into his succession of failed marriages and the one that has endured his destructive drug addiction and his passion as a painter Written with humor and grace *American Prince* is a testament to the power of living the life of one's dreams      **Tony Curtis** , 1959      **Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education** Miloslav Rechcigl Jr., 2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women

with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates *JFK and the Masculine Mystique* Steven Watts,2016-11-08 From very early on in his career John F Kennedy s allure was more akin to a movie star than a presidential candidate Why were Americans so attracted to Kennedy in the late 1950s and early 1960s his glamorous image good looks cool style tough minded rhetoric and sex appeal As Steve Watts argues JFK was tailor made for the cultural atmosphere of his time He benefited from a crisis of manhood that had welled up in postwar America when men had become ensnared by bureaucracy softened by suburban comfort and emasculated by a generation of newly aggressive women Kennedy appeared to revive the modern American man as youthful and vigorous masculine and athletic and a sexual conquistador His cultural crusade involved other prominent figures including Frank Sinatra Norman Mailer Ian Fleming Hugh Hefner Ben Bradlee Kirk Douglas and Tony Curtis who collectively symbolized masculine regeneration JFK and the Masculine Mystique is not just another standard biography of the youthful president By examining Kennedy in the context of certain books movies social critiques music and cultural discussions that framed his ascendancy Watts shows us the excitement and sense of possibility the optimism and aspirations that accompanied the dawn of a new age in America

Stanley Kubrick Nathan Abrams,2018-04-19 Stanley Kubrick is generally acknowledged as one of the world s great directors Yet few critics or scholars have considered how he emerged from a unique and vibrant cultural milieu the New York Jewish intelligentsia Stanley Kubrick reexamines the director s work in context of his ethnic and cultural origins Focusing on several of Kubrick s key themes including masculinity ethical responsibility and the nature of evil it demonstrates how his films were in conversation with contemporary New York Jewish intellectuals who grappled with the same concerns At the same time it explores Kubrick s fraught relationship with his Jewish identity and his reluctance to be pegged as an ethnic director manifest in his removal of Jewish references and characters from stories he adapted As he digs deep into rare Kubrick archives to reveal insights about the director s life and times film scholar Nathan Abrams also provides a nuanced account of Kubrick s cinematic artistry Each chapter offers a detailed analysis of one of Kubrick s major films including Lolita Dr Strangelove 2001 A Clockwork Orange Barry Lyndon The Shining Full Metal Jacket and Eyes Wide Shut Stanley Kubrick thus presents an illuminating look at one of the twentieth century s most renowned and yet misunderstood directors
