Crying Angels Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression God reveals His infinite love through our personal experiences Too often these stories of spiritual reality are never shared with others When I began praying for spiritual experiences when my parents were very ill I was blessed with a visit from crying angels The first story in my book *Crying Angels* inspired the title of my book I felt I

should record and share my spiritual stories and the stories I had heard from others I realized that both the teller and the listener's faith in God increases when stories are shared Our sharing creates a ripple effect of numerous blessings My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you Sarah V Tinsley
