## **Toxic Faith Understanding And Overcoming Religious Addiction:**

**Toxic Faith** Stephen Arterburn, Jack Felton, 1991-01-01 Offers readers advice on how to avoid using religious faith as a way to avoid commitments reality and growth and how to rebuild a healthy relationship with their god *The Culture of Disbelief* Stephen L. Carter, 1994-09-01 The Culture Of Disbelief has been the subject of an enormous amount of media attention from the first moment it was published Hugely successful in hardcover the Anchor paperback is sure to find a large audience as the ever increasing enduring debate about the relationship of church and state in America continues In The Culture Of Disbelief Stephen Carter explains how we can preserve the vital separation of church and state while embracing rather than trivializing the faith of millions of citizens or treating religious believers with disdain What makes Carter s work so intriguing is that he uses liberal means to arrive at what are often considered conservative ends Explaining how preserving a special role for religious communities can strengthen our democracy The Culture Of Disbelief recovers the long tradition of liberal religious witness for example the antislavery antisegregation and Vietnam era antiwar movements Carter argues that the problem with the 1992 Republican convention was not the fact of open religious advocacy but the political positions being advocated Christian Counseling 3rd Edition Gary R. Collins, 1988-10-06 This proven guide in pastoral counseling has been extensively expanded and revised by the author to include recent developments and research new resources and attention to newly urgent needs such as AIDS eating disorders homosexuality and violence Written with clarity and sensitivity this volume builds on biblical foundations and the best resources of professional psychology It reflects the insights the author has gained from many years of Christian counseling New Sections include The Legal Ethical and Moral Issues in Counseling The Multicultural Multiracial Issues in Counseling Conflict and Relationships Dealing with Death and Grief Alcoholism and Other Substance Abuse Crises and Trauma Counseling and Terrorism **Toxic Faith** Stephen Arterburn, Jack Felton, 2001 When religion becomes a means to avoid or control life it becomes toxic Toxic Faith shows how unbalanced ministries and misguided churches and leaders can lead followers away from God into a desolate experience of religion Now Arterburn wants to bring readers back to the real thing **From Stress to Well-Being** Craig Ellison, 2003-06-17 **Toxic Faith** Stephen Arterburn, Jack Felton, 2011-04-13 Experiencing Healing from Painful Spiritual Abuse When religion becomes a means to avoid or control life it becomes toxic Those who possess a toxic faith have stepped across the line from a balanced perspective of God to an unbalanced faith in a weak powerless or uncaring God They seek a God to fix every mess prevent every hurt and mend every conflict Toxic Faith distinguishes between a healthy faith and a misguided religiosity that traps believers in an addictive practice of religion It shows how unbalanced ministries misguided churches and unscrupulous leaders can lead their followers away from God and into a desolate experience of religion that drives many to despair Toxic Faith shows readers how to find hope for a return to genuine healthy faith that can add meaning to life In the words of the author I want to help you throw out that toxic faith and bring you back to the real thing A

*Different Gospel* Dan R McConnell, 2011-12-22 The name it claim it theology of the Word Faith Movement is presented as biblical but is it In this compelling book McConnell documents the historical link between faith theology and New Thought metaphysics He then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell Softcover from Hendrickson Fundamentalism & Freemasonry Gary H.
