Trade Lib Reg Integ Africa V2:

Financial Regulation in Africa Iwa Salami,2016-04-15 In the wake of the global financial crisis there has been a worldwide search for alternative investment opportunities away from advanced markets The African continent is now one of the fastest growing economic regions in the world and represents a viable destination for foreign direct and portfolio investment This book which is the first comprehensive analysis of financial integration and regulation in Africa fills a huge gap in the literature on financial regulation and would constitute an invaluable source of information to policy makers investors researchers and students of financial regulation from an emerging and frontier markets perspective It considers how financial integration can facilitate African financial markets to achieve their full potential and provides a comparative study with the EU framework for financial integration and regulation It assesses the implementation of effective and regional domestic infrastructures and how these can be adapted to suit the African context The book also provides an assessment of government policies towards the integration of financial regulation in keeping with the regional agenda of the African Union AU and the African Economic Community AEC

Intellectual Property Law in Africa Caroline B. Ncube,2023-06-29 Examining the harmonisation of Intellectual Property policy law and administration in Africa this book evaluates the effectiveness of efforts to establish continental Intellectual Property institutions and frameworks It also considers sub regional initiatives led by the regional economic communities and the regional Intellectual Property organisations focusing on relevant protocols and agreements that address Intellectual Property as well as the implementing institutions The book assesses the progress of such initiatives with particular reference to the current socio economic status of African states It argues that that harmonisation initiatives need to be crafted in a way that is supportive of the developmental goals of African states and advocates for due consideration of individual states unique conditions and aspirations This book will be of great relevance to scholars and policy makers with an interest in Intellectual Property law and its harmonisation in Africa

Arethuse 2/2 2015 Maria Rosaria Marcone, José Luis Rivero Ceballos,2015-07-21 In the second issue of 2015 the Journal of International Studies of the scientific association Arethuse as is by now a tradition presents a comparison and discussion of international academic scholars on three scientific areas Strategic Management Economics and Statistics and Public Finance

Regional Integration in Sub-Saharan Africa Faezeh Foroutan,1992 **Development Centre Studies Tackling the Policy Challenges of Migration Regulation, Integration, Development** OECD,Gagnon Jason,Khoudour-Castéras David,2011-11-17 This book contributes to the current debate on migration policy focusing on three main elements in the standard migration policy dialogue the regulation of flows the integration of immigrants and the impact of labour mobility on development

United Nations Documents Index Dag Hammarskjöld Library,2007 **The Air Transport Industry in Africa** William Kiema,2025-11-05 This book provides legal analysis of the multilateral liberalisation of the air transport industry in Africa within the framework of the African Union Agenda 2063 initiative the Single African Air Transport Market

SAATM Offering a detailed examination of the regulatory framework and policy considerations that have shaped the political economy of air transport in Africa the book offers a comparative analysis with the European Union EU and the Association of Southeast Asian Nations ASEAN By highlighting the need for a tailored approach to air transport liberalisation in Africa it underscores the importance of considering the continent s unique socio political context diverse values identities circumstances and challenges arising from its vast and varied landscape The book proposes a principled approach to the implementation of the SAATM initiatives and calls on stakeholders to consider holistic implementation that favours the principle of variable geometry stakeholder engagement and alignment with Agenda 2063 It also emphasises the significance of supporting aviation policies such as safety security financing competition and environmental sustainability The Air Transport Industry in Africa will be of interest to researchers in the fields of aviation law economic law and regional integration in Africa
