

# Trade Protectionism and Its Methods

## 1 Smoot-Hawley Tariff of 1930

It was designed to protect farmers from agricultural imports from Europe.

## 3 Impose quotas on imported goods

No matter how low a foreign country sets the price through subsidies, it can't ship more goods.

## 2 When the government subsidizes local industries

That allows producers to lower the price of local goods and services.

## 4 Deliberate attempt by a country to lower its currency value

This would make its exports cheaper and more competitive.
