Trudovye Spory

RD Boyd

Trudovye Spory:

Sport in Soviet Society James Riordan,1977 This book examines the evolution of sport in Russia from its association with health and hygiene to its post war purpose of raising Soviet prestige abroad

A Referee's Road to the Ring of the Olympics Николай Ловелиус,2026-01-15 This is a book by Nikolay Lovelius born 1935 one of the most eminent and reputed judges and referees in the history of the Russian and European boxing A wartime orphan he managed to become a major scientist the founder of an academic school He also had a brilliant career in sports He won the Best Boxing Judge of the 1980 Olympic Games title and took part in major international competitions Quite a few outstanding athletes and coaches are his personal friends His judging career lasted for over 70 years In his memoirs Lovelius recounts the story of his early involvement in boxing his studies in schools and colleges his coaching career and his way to the top of the judging hierarchy

Sport in the USSR ,1983

Soviet War News ,1944

Sports Boris Naumovich Khavin,1988

Goal! Christian Koller,Fabian Brandle,2015-06-26 Goal covers the history of the beautiful game from its origins in English public schools in the early 19th century to its current role as a crucial element of a globalized entertainment industry The authors explain how football transformed from a sport at elite boarding schools in England to become a pastime popular with the working classes enabling factories such as the Thames Iron Works and the Woolwich Arsenal to give birth to the teams that would become the Premier League mainstays known as West Ham United and Arsenal They also explore how the age of amateur soccer ended and with the advent of professionalism how football became a sport dominated by big clubs with big money and with an international audience

Football in the Land of the Soviets Carles Viñas,2022-10-20 Mistrusted and derided instrumentalised and adored the story of football in Tsarist and early Soviet Russia is as wild and intriguing as that of the country itself In many ways it is the same story Football in the Land of the Soviets offers a fresh perspective on a momentous chapter in modern political history Carles Vi as shows how the Russian game was transformed in just a few decades from a minor migr pastime to a modernising driver of society to a vanguard for Soviet diplomacy and internationalism and finally with the first championship of the Soviet League in 1936 into a truly mass phenomenon So exactly how did a bourgeois game end up as the collective passion of the Soviet working class And why does it matter Football in the Land of the Soviets brings these questions to the fore in this thrilling unorthodox account of the fall of an imperial dynasty and the rise of the world s first socialist state
