True Existence A Chasidic Discourse From Chabad L

Menahem Mendel Schneerson

Referred to as a landmark discourse delivered by the Rebbe barely two years after ascending to the leadership of Chabad Lubavitch this discourse is perhaps unique among all of the Rebbes teachings in the sense that its message required a retooling of our conception of divine service It discusses the self satisfaction that might result from our love and awe of G d and that contemplating the fact that our days upon earth need to be utilized to the fullest serves to remove any such feelings of satisfaction Even without having been present the reader can sense the immeasurable devotion emanating from the mind and heart of a true servant of G d as he charges us with the task of continuously choosing to look beyond ourselves with FULL DEVOTION to see G ds love for us which in turn will make us successful in loving and serving him
