Truly Thankful:

Annual Report of the State of Georgia, Department of Education Georgia. Department of Education, 1904 Prayers from the Heart, Prayers from the Mind Karren M. Hoyt, 2011 **Expressions Of Thanksgiving** Emily Myers, 2024-01-10 In every thing give thanks for this is the will of God in Christ Jesus concerning you 1 Thessalonians 5:18 This book is meant to inspire and encourage you in the weeks leading up to Thanksgiving Day to really take a little more time to think about what thanksgiving is and how we can be more thankful in our own lives For those who have children it is designed to help you show your children what it means to be thankful and cultivate in them a spirit of thankfulness We began writing this devotional book for use with our own children We designed it to be used in the weeks leading up to and possibly a few days after our Thanksgiving holiday It is divided into four parts with suggested thanksgiving memory verses and hymns along with a fun turkey themed recipe and thanksgiving craft for each part It also contains daily devotional readings The daily readings range from the definition of thanksgiving to our history of Thanksgiving Day in this country and the many ways in which we can express thanks We hope it is a blessing to you and your family as it has been a blessing to ours to write Don't stop with this book Keep your hearts open to God and look for ways to express your thankfulness to him O give thanks unto the God of heaven for his mercy endureth for ever Psalm 136:26 **Patio Time** Sandra Evans, 2022-04-06 I never realized that when I started writing my first Patio Time that it would be what brings me healing from God All of us have a past Not all of us have trust issues but I did I always said that if I couldn't trust my own father how could I trust my Father in heaven But not all of us grow from our childhood surroundings without some type of damage I can honestly say that I used my upbringing as a crutch and an excuse for not growing Everything I thought I was failing at I blamed on my life as a child in West Virginia That's how I began most of my Patio Time Growing up as a child in West Virginia I blamed failed relationships lack of financial gain and listening to the wrong people I also spent years of trying to fix everyone who had alcoholism because my father was an alcoholic and wanting to heal everyone who had cancer because I watched my mother die of that horrible disease When you're a child you can't process death or addiction I realized I was holding myself back because I could never get close to anyone Whenever I tried I would always push them away Maybe because I was thinking everyone leaves One day I went on my patio sat in my rocking chair and started writing about things that went on in my home and my small community Patio Time is a collection of my life and circumstances in that little rural area with a lot of dysfunctions I guess it's true what goes on behind closed doors stays behind closed doors But with this writing I realized that I had all I needed just by my surroundings and the love of the community I often found that my solace came from playing in the mountains and creeks Patio Time is my perception of the lessons that I learned from every situation I am hoping that this little collection will move the heart of others who need to realize they are exactly where they needed to be at that time All the situations that happened to me can clearly and has taught me a lesson of life I never realized it at that time but as an adult I see it clearly now My goal

is for someone to read any page of my book and see their own life and be able to look back and see the beauty and how they were molded as an adult What my readers don t know is that I was an Italian child who was given away to a white couple in West Virginia in the fifties Skin color was never an issue in my family but so prevalent in that era My parents showed nothing but love to me But a lot of burden comes with that scenario I grew up with molestation alcoholism physical and emotional abuse along with bullying But with all of that exposure I still could find something to be thankful for in every one of those situations I lost both of my parents my mother when I graduated from high school and my father shortly after Patio Time has been a way to express the memories that I was trying to forget Now I m grateful for my writings I am hoping that my journey is a light for others
