## **Truly Human:**

**Truly Human** Barbara Bacigalupi, 2000      *A Theological Odyssey* John W. De Gruchy, 2014-09-01 John de Gruchy is one of the greatest and most respected South African theologians of the past five decades His work has left an indelible mark on both the South African and international theological landscapes In this book he describes his theological journey revisiting core themes periods and sources This is an enriching read as De Gruchy engages with some of the greatest theologians in the history of the church notably John Calvin Karl Barth Karl Rahner Dietrich Bonhoeffer and Reinhold Niebuhr as well as with a wide selection of his fellow South African theologians Cas Wepener      The Basic Minimum Dale Dorsey, 2012-02-02 Offers a sustained defense of the claim that the basic social minimum should be characterized in terms of human welfare      **Sexual Ethics** Todd A. Salzman, Michael G. Lawler, 2012-05-18 Two principles capture the essence of the Catholic tradition on sexual ethics that each and every marriage act must remain open to the transmission of life and that any human genital act must occur within the framework of marriage In the Catholic tradition moral sexual activity is institutionalized within the confines of marriage and procreation and sexual morality is marital morality But theologians Todd Salzman and Michael Lawler contend that there is a disconnect between many of the Church's absolute sexual norms and other theological and intellectual developments explicitly recognized and endorsed in the Catholic tradition especially since the Second Vatican Council These developments include the shift from a primary static worldview to a historically conscious worldview one that recognizes reality as dynamic evolving changing and particular By employing such a historically conscious worldview alternative claims about the moral legitimacy of controversial topics such as contraception artificial reproduction and homosexual marriage can faithfully emerge within a Catholic context Convinced of the central role that love desire and fertility play in a human life and also in the life of Christian discipleship the authors propose an understanding of sexuality that leads to the enhancement of human sexual relationships and flourishing This comprehensive introduction to Catholic sexual ethics complete with thought provoking study questions at the end of each chapter will be sure to stimulate dialogue about sexual morality between Catholic laity theologians and the hierarchy Anyone seeking a credible and informed Catholic sexual ethic will welcome this potentially revolutionary book      **Ethics and Social Survival** Milton Fisk, 2016-05-20 When speaking of society's role in ethics one tends to think of society as regimenting people through its customs Ethics and Social Survival rejects theories that treat ethics as having justification within itself and contends that ethics can have a grip on humans only if it serves their deep seated need to live together It takes a social survival view of ethical life and its norms by arguing that ethics looks to society not for regimentation by customs but rather for the viability of society Fisk traces this theme through the work of various philosophers and builds a consideration of social divisions to show how rationalists fail to realize their aim of justifying ethical norms across divisions The book also explores the relation of power and authority to ethics without simply dismissing them as impediments and explains how personal values such as honesty modesty and self

esteem still retain ethical importance Finally it shows that basing ethics on avoiding social collapse helps support familiar norms of liberty justice and democracy and strives to connect global and local ethics

**Pope Francis, Marriage, and Same-Sex Civil Unions** Todd A. Salzman, Michael G. Lawler, 2024-05-15 In Pope Francis Marriage and Same Sex Civil Unions Foundations for the Organic Development of Catholic Sexual Doctrine Todd A Salzman and Michael G Lawler argue for the organic development of Catholic sexual teaching to recognize the morality and sacramentality of opposite sex and same sex marriage They do so on the basis of Pope Francis support of the legal protection of same sex civil unions new pastoral methods theological anthropological and ethical methodological developments To that end the authors consider the historical development in the Catholic tradition of sexual and marital ethics the impact of virtue ethics emphasis on the authority and inviolability of an informed conscience and a revised understanding of sexual complementarity on defining human dignity and the method for doing Catholic ethics the sacramental nature of opposite sex marriage as an upper case Sacrament and same sex marriage as a lower case sacrament the widespread and growing phenomenon of cohabitation before marriage where couples grow into the ideal of marriage and sociological and experiential data that supports the overwhelming positive impact on children of opposite sex and same sex parents All of these issues are considered in the light of the theological and pastoral changes that Pope Francis is introducing with widespread support and minority opposition into the Catholic tradition

**A Grammar of Christian Faith** Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

**Exploring Education Through Phenomenology** Gloria Dall'Alba, 2010-01-15 This book explores the resurgence of interest in phenomenology as a philosophy and research movement among scholars in education the humanities and social sciences Brings together a series of essays by an international team of philosophers and educationalists Juxtaposes

diverse approaches to phenomenological inquiry and addresses questions of significance for education today Demonstrates why phenomenology is a contemporary movement that is both dynamic and varied Highlights ways in which phenomenology can inform a broad range of aspects of educational theorising and practice including learning through the body writing online being an authentic teacher ambiguities in becoming professionals and school transition Essential Catholic Social Thought 2nd edition Brady, Bernard V., 2017-10-12 **Lectures on important doctrines of the true Christian religion** Samuel Noble, 1872 The Johannine Literature and the Acts of the Apostles Henry Prentiss Forbes, 1907 Good Words and Sunday Magazine Norman Macleod, Donald Macleod, Hartley Aspden, 1878 **The Princeton Theological Review**, 1909 Includes section Reviews of recent literature **London Quarterly Review**, 1877 **The Field of Philosophy** Joseph Alexander Leighton, 1918 **The Life of Jesus** David Friedrich Strauss, 1913 Animals' Defender and Zoophilist, 1911 The Christian Salvation James Stuart Candlish, 1899 **Homiletic Review**, 1893 **The Central Literary Magazine**, 1899
