Trusting God In A Changing World

JG Myers

Trusting God In A Changing World:

Trust God Even in the Fiery Furnace Rondie Ervin Harris, 2013-11-01 So many people are defeated by life's trials and tribulations because they put their trust in man and not in God. Trials will always occur in some form or fashion in our lives. We are either entering a trial in the midst of a trial or getting over a trial. When we go through trials, we all react differently, especially when we face fiery trials and tribulations. Your fiery trial may be different than mine. Fiery trials may involve your health, finances, family problems, addictions, legal problems, homelessness, and poverty. Some people react to trials through worldly solutions such as alcohol, drugs, and searching for answers in all the wrong places from all the wrong people. Some people check out completely by committing suicide because they feel that there is no other way out of their circumstances. Some people go to God for answers and they find peace because they trust God to solve their problems. This book teaches us to trust God in all circumstances, no matter what our fiery trials may be. Proverbs 3:5 and 6 says, "Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge him, and he shall direct your paths." We should trust God even in the fiery furnace, just like Shadrach, Meshach, and Abednego did when they had their fiery furnace trial. This book reveals how you can have hope in hopeless situations, comfort and joy in the midst of suffering and peace in the midst of chaos when you trust God even in the fiery furnace. [The Power of Your Faith](#) Dr. Eula

Payne-Williams, 2012-12-10 My doctor with that somewhat soft voice and that I hate this part of my job attitude says to me, "I'm so sorry, Eula, but you are paralyzed and will have to be in a wheelchair the rest of your life." How does a young woman in her middle twenties react to this type of news? It was now time for me to draw on everything that I had been taught or had caught concerning faith in God. Will I accept the wheelchair or will the POWER OF MY FAITH cause me to defy it and walk away? Which will it be? Have you ever wondered what is faith? Will it work? Does it work? How do you get it? I have heard about it, but how can I really achieve it? As you read this book, it is my prayer that your faith will be increased and you will never doubt whether it works again. It is not what others believe, but what do you believe? Because it really is THE POWER OF YOUR FAITH. **A Faith of a Different Color** Michelle Merrin, 2015-11-13 Do you ever struggle in your faith or find it difficult to trust God's sovereignty, grace, or purposes? Is it sometimes a battle to rely on God and rest in him in every circumstance of your life? If so, you are not alone. And author Michelle Merrin believes that these struggles are often ordained by God in order to help deepen your understanding of and dependence upon him. Openly sharing her own experiences of moving from a simple and easy faith through difficult circumstances that produced a different kind of trust, Merrin uses a transparent and practical Bible study approach to illustrate her strong belief in both the power of God's Word to transform lives and the need for Christians to be honest in their relationship with God. Studying *A Faith of a Different Color* alone or with a group of fellow believers can help you navigate your own set of life circumstances that demands a new level of trust in God. Regardless of what the path ahead of you involves, you will be encouraged to let God complete the work of faith that he began in you.
