## **Truth About Suffering:**

**Awakening to Reality** Malcolm Little,2024-09-15 At the heart of understanding Suffering in Buddhism lies the Four Noble Truths It comprises the essence of Buddha s teachings though they leave much left unexplained They are the truth of suffering the truth of the cause of suffering the truth of the end of suffering and the truth of the path that leads to the end of suffering More simply put suffering exists it has a cause it has an end and it has a cause to bring about its end The notion of suffering is not intended to convey a negative world view but rather a pragmatic perspective that deals with the world as it is and attempts to rectify it The concept of pleasure is not denied but acknowledged as fleeting Pursuit of pleasure can only continue what is ultimately an unquenchable thirst *Buddhism* Kevin Trainor,2004 In this strikingly illustrated and authoritative volume readers have an introduction to one of the world s greatest living faiths 200 color photos maps drawings
