

Tsali's Hatchet

"Exceptional! The writing strong and grippingly dramatic. It is a story as timely as the daily newspaper accounts of ethnic tensions and savagery all over the globe. The author is apparently well grounded in the historical period of which she writes so feelingly. Her Native American protagonists come across as authentic in every detail."

"An exciting plot featuring plenty of violence, political intrigue, and romance, as well as sympathetic characters and readable prose, the story is sure to command readers' attention and please historical fiction fans."
