EMPEROR • TSAR • SAINT

Tsar Slavian

Christoph Witzenrath

Tsar Slavian:

The Russian Empire, Slaving and Liberation, 1480-1725 Christoph Witzernath, 2022-11-21 The monograph realigns political culture and countermeasures against slave raids which increased during the breakup of the Golden Horde By physical defense of the open steppe border and by embracing the New Israel symbolism in which the exodus from slavery in Egypt prefigures the exodus of Russian captives from Tatar captivity Muscovites found a defensive model to expand empire Recent scholarly debates on slaving are innovatively applied to Russian and imperial history challenging entrenched perceptions of Muscovy

Russian Nationalism, Past and Present G. Hosking, R. Service, 1998-07-15 This book looks at the past and present condition of Russian nationalism Its chapters examine the influence of tsarist and Soviet official policies upon national identity and seek to explain the broader political social and cultural factors which helped or hindered the ambitions of rulers The changeability of Russian national consciousness is emphasised Several chapters also highlight the various long standing inhibitions to the emergence of a consolidated civic nationalism in a Russian Federation which gained its independence at the break up of the USSR

The Military and Society in Russia, 1450-1917 Eric Lohr, Marshall Poe, 2002-11-01 This book explores the interaction of the Russian military and society in the early modern and modern period In contrast to straightforward military histories the volume is concerned with the myriad political economic and cultural currents that shaped the Russian armed forces from their beginnings in Muscovite times to the end of World War I The book begins with an attempt by the editors to provide a large frame in which to place the various contributions What follows are three topical sections including 22 detailed often archival based monographic articles The first section concerns The Military and Society in Muscovy the second section focuses on The Military and Society in Imperial Russia The third part analyzes Patriotism Nationality Religion and the Military

By Honor Bound Nancy Shields Kollmann, 2016-11-01 In the sixteenth and seventeenth centuries Russians from all ranks of society were bound together by a culture of honor Here one of the foremost scholars of early modern Russia explores the intricate and highly stylized codes that made up this culture Nancy Shields Kollmann describes how these codes were manipulated to construct identity and enforce social norms and also to defend against insults to pursue vendettas and to unsettle communities She offers evidence for a new view of the relationship of state and society in the Russian empire and her richly comparative approach enhances knowledge of statebuilding in premodern Europe By presenting Muscovite state and society in the context of medieval and early modern Europe she exposes similarities that blur long standing distinctions between Russian and European history Through the prism of honor Kollmann examines the interaction of the Russian state and its people in regulating social relations and defining an individual's rank She finds vital information in a collection of transcripts of legal suits brought by elites and peasants alike to avenge insult to honor The cases make clear the conservative role honor played in society as well as the ability of men and women to employ this body of ideas to address their relations with one another and with the state Kollmann demonstrates that the

grand princes and later the tsars tolerated a surprising degree of local autonomy throughout their rapidly expanding realm Her work marks a stark contrast with traditional Russian historiography which exaggerates the power of the state and downplays the volition of society **Russian Notions of Power and State in a European Perspective, 1462-1725** Endre Sashalmi, 2022-10-25 Winner of the 2023 Marc Raeff Book Prize A 2023 REFORC Book Award Longlist Title This book highlights the main features and trends of Russian political thought in an era when sovereignty state and politics as understood in Western Christendom were non-existent in Russia or were only beginning to be articulated It concentrates on enigmatic authors and sources that shaped official perception of rulership or marked certain changes of importance of this perception Special emphasis is given to those written and visual sources that point towards depersonalization and secularization of rulership in Russia A comparison with Western Christendom frames the argument throughout the book both in terms of ideas and the practical aspects of state building allowing the reader to ponder Russia's differentia specifica

The Sinner and the Saint Kevin Birmingham, 2021-11-16 A New York Times Book Review Editors Choice One of The East Hampton Star's 10 Best Books of the Year From the New York Times bestselling author of The Most Dangerous Book the true story behind the creation of another masterpiece of world literature Fyodor Dostoevsky's Crime and Punishment The Sinner and the Saint is the deeply researched and immersive tale of how Dostoevsky came to write this great murder story and why it changed the world As a young man Dostoevsky was a celebrated writer but his involvement with the radical politics of his day condemned him to a long Siberian exile There he spent years studying the criminals that were his companions Upon his return to St Petersburg in the 1860s he fought his way through gambling addiction debilitating debt epilepsy the deaths of those closest to him and literary banishment to craft an enduring classic The germ of Crime and Punishment came from the sensational story of Pierre Fran ois Lacenaire a notorious murderer who charmed and outraged Paris in the 1830s Lacenaire was a glamorous egoist who embodied the instincts that lie beneath nihilism a western influenced philosophy inspiring a new generation of Russian revolutionaries Dostoevsky began creating a Russian incarnation of Lacenaire a character who could demonstrate the errors of radical politics and ideas His name would be Raskolnikov Lacenaire shaped Raskolnikov in profound ways but the deeper insight as Birmingham shows is that Raskolnikov began to merge with Dostoevsky Dostoevsky was determined to tell a murder story from the murderer's perspective but his character couldn't be a monster No The murderer would be chilling because he wants so desperately to be good The writing consumed Dostoevsky As his debts and the predatory terms of his contract caught up with him he hired a stenographer to dictate the final chapters in time Anna Grigorievna became Dostoevsky's first reader and chief critic and changed the way he wrote forever By the time Dostoevsky finished his great novel he had fallen in love Dostoevsky's great subject was self-consciousness Crime and Punishment advanced a revolution in artistic thinking and began the greatest phase of Dostoevsky's career The Sinner and the Saint now gives us the thrilling and definitive story of that triumph **The Empire of the Tsars and the Russians: The religion**

Anatole Leroy-Beaulieu,1896 Muscovy and the Mongols Donald Ostrowski,2002-06-20 The importance of the Mongols impact on the Rus lands has been recognised by many scholars but its precise nature and extent is very contentious While diverse opinions exist on the origins and development of Muscovy the author argues that no society arises ex nihilo and that Muscovy is no exception In this 1998 book Donald Ostrowski considers the outside origins and influences as well as indigenous origins and development in order that the reader may gain a clearer understanding of Muscovy as a political entity its political institutions and political culture He shows that during the early period of Muscovy 1304 1448 the ecclesiastical and secular institutions were affected by two different outside influences Byzantium and the Qipchaq Khanate respectively In considering these outside influences he has set out to study Muscovy as an integral and important part of world history The Empire of the Tsars and the Russians: The country and its inhabitants Anatole Leroy-Beaulieu,1893

The empire of the tsars an the Russians Anatole Leroy-Beaulieu,1893 **The empire of the tsars and the Russians, tr. with annotations by Z.A. Ragozin** Henri Jean B. Anatole Leroy-Beaulieu,1893 *Lost Illusions* Karel Durman,1988 **A History of Russia: The Mongols and Russia, by George Vernadsky** George Vernadsky,Michael Karpovich,1943 Half title each volume has special t p Includes bibliographies v 1 Ancient Russia by George Vernadsky v 2 Kievan Russia v 3 The Mongols and Russia by George Vernadsky v 4 Russia at the dawn of the modern age by George Vernadsky **Time** Briton Hadden, Henry Robinson Luce,1925 Reels for 1973 include Time index 1973

Canadian-American Slavic Studies ,2004 A quarterly journal devoted to Russia and East Europe *Texas Review* ,1916 *Southwest Review* ,1915 **The American Slavic and East European Review** ,1959 Harvard Slavic Studies ,1953 Sprachwandel in der Slavia Lew Zybatow,2000
