## **Tucker Talks:**

**Private Tucker's Boer War Diary** Pamela Todd, David Fordham, 1980 Bog der kronologisk gennemgør forløbet i Boerkrigen 1899-1902 gennem optryk af en menig soldats dagbogsoptegnelser fra kampen mod de tidligere hollandske koloniserere Boerne men suppleret med illustrationer og forskellige oplysninger om krigen

**Teens Choosing to Read** Gay Ivey, Peter Johnston, 2023 In a sea of troubling reporting about education teaching reading and the wellbeing of teens Ivey and Johnston bring some good news that shows what happens when we stop underestimating young people This accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers These youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives This amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so These students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process This illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature The text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship

**Book Features**  
Links young adults reading engagement with socio emotional and intellectual development Provides nuanced descriptions of teaching practices that facilitate student agency in learning Features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances Connects student perspectives on reading with positive outcomes of reading to research from other disciplines Illuminates the breadth and depth of the responsibilities of teaching English language arts

**If Only They Could Speak** Nicholas H. Dodman, 2003-06-24 A collection of fourteen true stories by an animal behaviorist offers insight into animal psychotherapy and psychopharmacology that contends that animals have emotional structures as complex as humans

**Talking Animals in Children's Fiction** Catherine Elick, 2015-03-25 Talking animal tales have conveyed anticruelty messages since the 18th century beginnings of children's literature Yet only in the modern period have animal characters become true subjects rather than objects of human neglect or benevolence Modern fantasies reflect the shift from animal welfare to animal rights in 20th century public discourse This revolution in literary animal human relations began with Lewis Carroll's *Alice's Adventures in Wonderland* and continued with the work of Kenneth Grahame Hugh Lofting P L Travers and E B White Beginning with the ideas of literary theorist Mikhail Mikhailovich Bakhtin this book examines ways in which animal characters gain an aura of authority through using language and then participate in reversals of power The author provides a close reading of 10 acclaimed British and American children's fantasies or series published before 1975 Authors whose work has received little scholarly attention are
