**Utter Kenfusion:**

**Utter Ken-Fusion** Ken Tan,2001 This collection of old chestnuts and more recent jokes has resulted from the encouragement received by the author from the laughter and similar although not necessarily complimentary reactions from his listeners This book is intentionally neither a tome nor are the jokes left untitled and traditionally arranged alphabetically by subject matter Instead each joke has been given a title or a punch line which are then arranged in alphabetical order with absolutely no regard as to whether they are ethnic religious sports related or any other category of joke The way to use the book is to look for a title or punch line that particularly tickles your fancy turn to the page indicated read it and hopefully roll on the floor with laughter or perhaps make some disparaging remark about the author and try your luck again **Ken de Courcy's Automentalism.
